CONDITIONS OF SALE

1. The terms of sale are strictly cash to the highest bidder. All buyers are expected to pay for lots within three days of receipt, unless special arrangements have been made prior to the sale.

2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.

3. Any lot the description of which is incorrect is returnable only within three days of receipt. All disputed lots must be returned intact as received. Lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them before the sale.

4. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded.

5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.

6. All stamps are sold as genuine, except where sold "As Is". Claims for any lot proving otherwise, must be made within two weeks from date of sale.

7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.

8. Until paid for in full all lots remain the property of Robert A. Siegel.

9. No commission is charged for buying at our sales, but all forwarding charges will be added to the purchase price.

10. Lots will be sent for inspection, provided such lots are returned to us the same day as received. Postage and registration both ways will be charged. Approximate values of lots will be given on request.

11. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

GREGORY MOZIAN, Licensed Auctioneers

In sending bids, always state the highest price you are prepared to pay for the lot. Your limit will not be used as a starting bid unless absolutely necessary.

DESCRIPTIONS

Superb—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects. Original gum is not to be expected on 19th Century stamps up to 1888 unless so stated.

Scott's 1957 Specialized United States Catalogue is used for cataloging our lots of United States and Scott's Standard Catalogue, 1957 for others.

VALUATIONS

Upon request, estimate of value furnished on any lots in this auction.
ESTIMATES

Our sales contain many 19th Century covers and fancy cancellations. We have had many requests to give the estimated cash value on these lots. We are trying to place a fair net valuation on each lot as a guide for bidding when no catalogue value portrays the true value. The chart below will be used, for example E. IV means our estimate cash value on this lot is $30.00 to $40.00. Lots may actually realize more or less than these estimates and under no circumstances are these estimates to be considered reserves but merely a guide to bidding.

It will then be sold at one of my coming auction sales. Attractive well illustrated catalogues issued, with stamps expertly and most advantageously lotted. All lotting done under my personal supervision. Commission is 20% of the gross and final settlement within thirty days after the sale. I have been steadily conducting stamp auctions in the United States for more than the past quarter of a century.

Valuable collections and stamp holdings especially wanted but will accept properties valued from $500 upwards. Send stamps direct for my appraisal. Auction advance will be sent within 48 hours after receipt. If not entirely pleased stamps will be returned at my expense. If circumstances warrant due to bulk etc. I will travel to inspect valuable properties.
