CONDITIONS OF SALE

1. The terms of sale are strictly cash to the highest bidder. All buyers are expected to pay for lots within three days of receipt, unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.
3. Any lot the description of which is incorrect is returnable only within three days of receipt. All disputed lots must be returned intact as received. Lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them before the sale.
4. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All stamps are sold as genuine, except where sold “As Is”. Claims for any lot proving otherwise, must be made within two weeks from date of sale.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Robert A. Siegel.
9. No commission is charged for buying at our sales, but all forwarding charges will be added to the purchase price.
10. Upon written application lots may be sent for examination prior to the auction, conditional upon being mailed back by registered mail, adequately insured, within 24 hours of receipt. The applicant is completely responsible for all lots sent for examination, and for the insurance of same against mishap, from the time of receipt until they are actually received back, and is to pay all expenses of postage and insurance.
11. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

ROBERT A. SIEGEL, Licensed Auctioneer

In sending bids, always state the highest price you are prepared to pay for the lot. Your limit will not be used as a starting bid unless absolutely necessary.

DESCRIPTIONS

Superb or Extremely Fine—the finest condition for noteworthy, outstanding copies.
Very Fine (VF)—means that there is a slight deviation from the above.
Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.
Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.
Good (G)—means average off-centering; or fairly attractive with slight defects. Original gum is not to be expected on 19th Century stamps up to 1888 unless so stated.
Scott’s 1960 Specialized United States Catalogue is used for cataloguing our lots of United States and Scott’s Standard Catalogue, 1960 for others.

VALUATIONS

Upon request, estimate of value furnished on any lots in this auction.
Our sales contain many 19th Century covers and fancy cancellations. We have had many requests to give the estimated cash value on these lots. We are trying to place a fair net valuation on each lot as a guide for bidding when no catalogue value portrays the true value. The chart below will be used, for example E. IV means our estimate cash value on this lot is $30.00 to $40.00. Lots may actually realize more or less than these estimates and under no circumstances are these estimates to be considered reserves but merely a guide to bidding.

END OF SALE — THANK YOU
IS YOUR COLLECTION FOR SALE?

REALIZE IMMEDIATE CASH
PLUS THE ADDED ADVANTAGE OF
SELLING THROUGH OUR AUCTIONS

We will advance immediate cash up to 75% of our appraisal value, of what your collection should realize at auction.

Your collection will then be sold in one of our coming auction sales. All stamps are expertly and advantageously lotted in attractive, well illustrated catalogs. Lotting is meticulously planned under our personal supervision. Commission is 20% of the gross realization. Final settlement is made within five weeks after the sale. We have been continuously conducting stamp auctions in the United States for nearly thirty years.

Valuable collections and stamp holdings are especially wanted, but we will accept properties valued from $500 upwards. Send all stamps direct for appraisal. Auction advance will be remitted within 48 hours following receipt. If not entirely pleased, stamps will be returned at our expense. If circumstances warrant due to bulk or value, we will travel anywhere to inspect important estates.
