THE JOSIAH K. LILLY COLLECTION

Part III

U. S. Administration Issues, Hawaii
and Confederate States of America

When one speaks of the "romance of philately", the images that are conjured up are of "Cape triangles", "Post Office Mauritius" and Hawaiian "Missionaries". And the third portion of the Lilly collection has a large share of this romance, not only in the group of Missionaries that are offered, but also in the Confederate States of America Postmasters' Provisionals. This group will possess a romantic appeal to the collectors who have an awareness of the rarity and to the appealing primitive character of the stamps of the Confederate period.

The Missionary stamps are complete, represented by attractive unused copies except for the 2c which is used. At the time of its acquisition by Mr. Lilly, no unused copy had appeared or was known. A cover bearing an uncancelled copy of the 13c "H. I. & U.S.", one of the finest covers known, will prove of interest to many.

The Confederate Postmasters' Provisionals contain such a great number of seldom seen stamps and covers, so many of them unique that the Confederate collectors will recognize them without difficulty as to their past travels and provenance. The great "gem" of Confederate Philately is, of course, the Livingston, Ala., 5c blue pair on cover. This is without question the most desirable item of appeal to the collectors of these issues, and was the subject of great competition when previously offered at sale. The pair of 10c "GOLIAD" provisionals, one of them with the "GOILAD" error, and the Unionville 5c pair on patriotic cover, the block of twelve of the 5c Nashville with three tete-beche pairs, and a pane of the 5c brown New Orleans in a complete sheet of 40 are others of considerable interest. And in the General issues, a strip of seven of the 10c "Frameline" is one of the largest known pieces.

The U.S. Administration issues are represented by an outstanding showing of the 1899 Special Printings, a much under-rated group of considerable rarity.

The opportunity to secure some of the choice items in this sale is not likely to come again for some years to come, and collectors will do well to view the long term aspects of their collecting fields.

VALUATIONS

Upon request, estimate of value furnished on any lots in this auction.
Our sales contain many 19th Century covers and fancy cancellations. We have had many requests to give the estimated cash value on these lots. We are trying to place a fair net valuation on each lot as a guide for bidding when no catalogue value portrays the true value. The chart below will be used, for example E.IV means our estimate cash value on this lot is $30.00 to $40.00. Lots may actually realize more or less than these estimates and under no circumstances are these estimates to be considered reserves but merely a guide to bidding.

CONDITIONS OF SALE

1. The terms of sale are strictly cash to the highest bidder. All buyers are expected to pay for lots within three days of receipt, unless special arrangements have been made prior to the sale.

2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.

3. Any lot the description of which is incorrect is returnable only within three days of receipt. All disputed lots must be returned intact as received. Lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them before the sale.

4. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded.

5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.

6. All stamps are sold as genuine, except where sold "As Is". Claims for any lot proving otherwise, must be made within two weeks from date of sale.

7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.

8. Until paid for in full all lots remain the property of Robert A. Siegel.

9. No commission is charged for buying at our sales, but all forwarding charges will be added to the purchase price.

10. Upon written application lots may be sent for examination prior to the auction to persons known to us or who supply acceptable references, conditional upon being mailed back by registered mail, adequately insured, within 24 hours of receipt. The applicant is completely responsible for all lots sent for examination, and for the insurance of same against mishap, from the time of receipt until they are actually received back, and is to pay all expenses of postage and insurance.

11. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

Scott 1967 Specialized United States Catalogue is used for cataloging our lots of United States and Scott's Standard Catalogue, 1967 for others.

ESTIMATES

Our sales contain many 19th Century covers and fancy cancellations. We have had many requests to give the estimated cash value on these lots. We are trying to place a fair net valuation on each lot as a guide for bidding when no catalogue value portrays the true value. The chart below will be used, for example E.IV means our estimate cash value on this lot is $30.00 to $40.00. Lots may actually realize more or less than these estimates and under no circumstances are these estimates to be considered reserves but merely a guide to bidding.
