CONDITIONS OF SALE

1. The terms of sale are strictly cash on delivery to the highest bidder unless special arrangements have been made prior to the sale.

2. All bids are per lot as numbered in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots; to withdraw any lot or lots from the sale, or to act in behalf of the seller. The auctioneer shall regulate the bidding and in the event of any dispute his decision shall be final.

3. Any lot, the description of which is incorrect is returnable, but only within five days of receipt and in any case it must be received by the auctioneer within four weeks from the date of the auction. All disputed lots must be returned intact as received and the following lots may not be returned for any reason whatsoever: Lots containing ten or more stamps; Lots from buyers who have had the opportunity to examine them before the sale; Lots described as having defects or faults may not be returned because of faults. No illustrated lots may be returned because of centering, margins or other factors shown in the illustrations.

4. Successful bidders, unless they are known to us or supply acceptable references are expected to make payment in full before the lots are delivered. Mail bidders will be notified of the amount of their purchases. We reserve the right in our sole and absolute discretion to demand cash payment at the time a lot is knocked down to any bidder who has not previously established credit with us or whose account is in arrears. In the event any buyer refuses to pay cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to re-offer the lot immediately for sale to the highest bidder.

5. If the purchase price has not been paid within the time limit, nor lots taken up within seven days from date of sale they must be resold and any loss arising from such sale will be charged to the defaulter. Any account more than thirty days in arrears is subject to a late payment charge of 1½% per month so long as the account remains in arrears.

6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that such claim is made within 25 days from date of sale. If claim is not made within this period, no lots are returnable for any reason at any time. So long as we are notified within the 25 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay a maximum fee of $10.00 for each such item.

7. Until paid in full, all lots remain the property of Robert A. Siegel Auction Galleries, Inc. in behalf of the seller.

8. All forwarding charges will be added to the purchase price. The mode of shipment shall be at our option unless we are given specific instructions.

9. Lots may be sent for inspection to buyers known to us upon written application. All such lots must be returned to us by registered mail, adequately insured and within 24 hours after receipt. The applicant assumes all responsibility and for insurance against all risks from time of receipt until they are actually received back by us, and is to pay all expenses of postage and insurance. No lots can be sent for inspection within ten days of the date of sale. Large lots and collections cannot be sent for inspection.

10. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

VALUATIONS
Upon request, estimate of value furnished on any lots in this auction.
ESTIMATES

Our sales offer many covers, cancellations, varieties and other items for which there is no catalogue value or where catalogue value does not reflect the actual value. In order to assist our clients, we are placing a fair net valuation on such lots as a guide to bidders. The chart below will be used. For example, E. IV means that our estimated net value on the lot is $30.00 to $40.00. Lots may actually realize more or less than our estimates, which are under no circumstances to be considered reserves but merely a guide to bidding.

UNITED NATIONS FIRST FLIGHT FORERUNNERS

We offer here a choice group of Air Post “Forerunner covers”. These were posted at the United Nations Post Office in New York for dispatch by first flights originating at New York and other cities prior to the agreement reached in 1959 between the U.S. Post Office Department and the United Nations Postal Administration concerning official treatment of First Flights covers. All are quite scarce and are generally considered to be among the “classics” in the area of United Nations Postal History. The Lindner “U.N. Stamp Catalogue” published in 1968 has a provisional listing of these flight covers and we have used the Lindner classification numbers and prices wherever possible to aid collectors in identifying and estimating these covers. Specialists will note that some of these covers have been postmarked in advance of the dates for flights listed in Lindner. This is not at all unusual since covers prior to the 1959 agreement were postmarked as received at the U.N. Post Office and not held for cancellation on the day of the flight.

END OF SALE — THANK YOU
AT PRIVATE SALE

We had prepared and made ready for publishing, the catalogue for a stupendous auction of British Commonwealth stamps, cataloguing far over half-a-million dollars, when we were prevailed upon to sell the entire collection intact, which we did at a price well into six figures. This accounts for the fact that we are holding only one sale this April. However, several important sales are scheduled for May and later, including the tremendous U.S. Collection formed by Dr. Drew Meilstrup which contains virtually every major rarity of all our postal issues.

In the meantime, bear in mind that our facilities for private sale are very active, particularly for specialized collections and studies of any United States or Foreign countries. An enormous amount of interesting material, large and small in value, is constantly being sold. We are intensely active in private negotiation for anything of philatelic merit and our services in this field could be of immense value to you.
