THE
SYLVESTER COLBY
LIBRARY

Catalogued and Compiled by Sy Colby
FOREWORD

Due to the bulk and magnitude of the material in the Colby Reference Library, it was physically impossible to house or store it in our offices. Practically all literature collectors know the various items which are being offered for sale, and physical inspection is hardly necessary. Serious collectors who desire specific information on particular lots should address inquiries, with self-addressed stamped envelope, to Box 271, Indian Rocks Beach, Florida 33735. No lots will be on view.

Invoices for successful bidders will be prepared and sent at once and are payable immediately. All the lots will be shipped in the most expeditious manner. In the absence of specific shipping instructions, our routing selection will be unquestioned. A minimum packing and handling charge of $1.00 will be made on invoices. We ask successful bidders to be patient until the lots arrive. The mails are exceedingly slow, especially due to the shortened P. O. schedule.

Valuations are listed. They represent the average recent auction prices realized. In a few cases we have estimated the value in light of our experience.

Condition can be considered as satisfactory and collectible on all lots, exceptions are noted.
FIRST SESSION
FRIDAY, NOVEMBER 15th, 1974 — 10:30 A.M.

Valuations are listed. They represent the average recent auction prices realized. In a few we have estimated the value in light of our experience.
