VALUATIONS
Upon request, estimate of value furnished on any lots in this auction.
Our sales offer many covers, cancellations, varieties and other items for which there is no catalogue value or where catalogue value does not reflect the actual value. In order to assist our clients, we are placing a fair net valuation on such lots as a guide to bidders. The chart below will be used. For example, E. IV means that our estimated net value on the lot is $30.00 to $40.00. Lots may actually realize more or less than our estimates, which are under no circumstances to be considered reserves but merely a guide to bidding.

Men of the North! the hour has come—

None may falter, and none may lag:

March to the sound of the rifle and drum.

"We ask no quarters."

"Mrs. M. Longley,

Pittsfield,

May these Northern soldiers, who still

Keep high our flag's unfading star,

Approach near enough to feel the point

Of our sabers.

May they prove near enough to hear the

Whistle of our muskets,

And learn that a white man is better than the

בולית.

"Almighty to attempt guile, or moody—

Think of what the South has been—

Defend, renew, and stand—

Drive the invaders to their home—

On, and let the watch-word be

Country, home, and glory!"
Gather around your country's flag,
Men of the South the hour has come—
None may falter, none may refuse—
March to the sound of the far-off drum.

Confound the boast of an evil tongue,
Who strikes the flag of our race—
We'll stand here firm, in the interests strong,
As long as we live or breathe.

None shall turn us from our course!
The eagle view our country's land—
Let but the falcon ever rain,
And we will hold it ever hallowed ground.

O'er all we'll hold our banners high,
And may our fathers' flag remain—
For him who loved it as his own,
We'll hold it dear to the last man's heart.
