AUCTION GALLERIES, Inc.
120 E. 56th Street, New York, N.Y. 10022
CONDITIONS OF SALE

1. The terms of sale are strictly cash on delivery to the highest bidder unless special
   arrangements have been made prior to the sale.

2. All bids are per lot as numbered in the catalogue unless otherwise announced by the
   auctioneer at the time of sale. The right is reserved to group two or more lots; to withdraw
   any lot or lots from the sale, or to act in behalf of the seller. The auctioneer shall regulate
   the bidding and in the event of any dispute his decision shall be final.

3. Any lot, the description of which is incorrect is returnable, but only within five days of
   receipt. All disputed lots must be returned intact as received. The following lots may not
   be returned for any reason whatsoever: Lots containing ten or more stamps; Lots
   from buyers who have had the opportunity to examine them before the sale; Lots
   described as having defects or faults may not be returned because of any faults. No
   illustrated lots may be returned because of centering, margins or other factors shown
   in the illustrations.

4. Successful bidders, unless they are known to us or supply acceptable references are
   expected to make payment in full before the lots are delivered. Mail bidders will be notified
   of the amount of their purchases. All mail bidders who have established credit with us must
   make payment within three days after receipt. We reserve the right in our sole and absolute
   discretion to demand cash payment at the time a lot is knocked down to any bidder who has
   not previously established credit with us or whose account is in arrears. In the event any
   buyer refuses to pay cash for any lot at the time it is knocked down to him, the auctioneer
   reserves the right to re-offer the lot immediately for sale to the highest bidder.

5. If the purchase price has not been paid within the time limit, nor lots taken up within seven
   days from date of sale they must be resold and any loss arising from such sale will be
   charged to the defaulter. Any account more than thirty days in arrears is subject to a late
   payment charge of 1½% per month so long as the account remains in arrears. If the
   auctioneer, in his discretion, should institute any legal action to secure payment of a
   delinquent account the defaulting purchaser shall pay all legal expenses incurred by the
   auctioneer and such charges will be added to the amount owed.

6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any
   competent, responsible authority acceptable to us, immediate refund of the full purchase
   price will be made, provided that such claim is made in writing within 14 days from date of
   sale. If claim is not made within this period, no lots are returnable for any reason at any
   time. So long as we are notified within the 14 day period that an opinion is being sought the
   matter will remain open until such opinion is rendered. We will not be responsible for any
   charges incurred by the buyer for expertization fees and costs unless the opinion states the
   item is not genuine, in which case we will pay actual costs up to a maximum of $50.00.

7. Until paid for in full, all lots remain the property of Robert A. Siegel Auction Galleries;
   Inc. in behalf of the seller.

8. All forwarding charges will be added to the purchase price. The mode of shipment shall be
   at our option unless we are given specific instructions.

9. Lots may be sent for inspection to buyers known to us upon written application. All such
   lots must be returned to us by registered mail, adequately insured and within 24 hours after
   receipt. The applicant assumes all responsibility and for insurance against all risks from
   time of receipt until they are actually received back by us, and is to pay all expenses of
   postage and insurance. No lots can be sent for inspection within eight days from date of
   local viewing. Large lots and collections cannot be sent for inspection.

10. Agents are responsible for all purchases made in behalf of their clients unless other
    arrangements are made prior to the sale.

11. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

VALUATIONS
Upon request estimate of value furnished on any lots in this auction.
Our sales offer many covers, cancellations, varieties and other items for which there is no catalogue value or where catalogue value does not reflect the actual value. In order to assist our clients, we are placing a fair net valuation on such lots as a guide to bidders. The chart below will be used. For example, E. IV means that our estimated net value on the lot is $30.00 to $40.00. Lots may actually realize more or less than our estimates, which are under no circumstances to be considered reserves but merely a guide to bidding.

DESCRIPTIONS

EXTREMELY FINE: The finest condition for noteworthy, outstanding stamps.

VERY FINE: (VF) In prime condition such as to satisfy the requirements of particular collectors.

FINE: (F) Perforations or margins do not touch design on issues after 1890 but in some cases may just touch in earlier issues. If used, fairly light cancellation.

VERY GOOD: (VG) Generally nice appearance but margins or perforations may cut in slightly.

GOOD: (G) Average off-centering or fairly attractive with slight defects.

ORIGINAL GUM is not to be expected on 19th century stamps unless so states in the description.

MINT: With original gum and never hinged.

Unless otherwise noted the 1979 Scott Vol. 1-4 Standard Postage Stamp Catalogues, 1978 Bolaffi Specialized, Sanabria Air Post Catalog and Gibbons British Commonwealth Catalogues have been used for cataloguing.
