Conditions of Sale

The property described in this catalogue will be offered at public auction by Robert A. Siegel Auction Galleries, Inc. ("Galleries") on behalf of various consignors and itself or affiliated companies. By bidding on any lot, whether directly or by or through an agent, in person, or by telephone, facsimile or any other means, the bidder acknowledges and agrees to all of the following Conditions of Sale.

1. The highest bidder acknowledged by the auctioneer shall be the buyer. The term "final bid" means the last bid acknowledged by the auctioneer, which is normally the highest bid offered. The purchase price payable by the buyer will be the sum of the final bid and a commission of 10% of the final bid ("buyer's premium"), together with any sales tax or use tax which may be due on the sale.

2. The auctioneer has the right to reject any bid, to advance the bidding at his discretion and, in the event of a dispute between bidders, to determine the successful bidder, to continue the bidding or to reoffer and resell the lot in dispute. The Galleries' record of the final sale shall be conclusive.

3. All bids are per numbered lot in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots, to withdraw any lot or lots from the sale, or to act on behalf of the seller. The Galleries will execute bidding instructions on behalf of clients, but will not be responsible for any errors in the execution of such bids.

4. Lots with numbers followed by the symbol "*" are offered subject to a confidential minimum final bid ("reserve"), below which the lot will not be sold. The absence of the symbol means that the lot is offered without a reserve. In the absence of a reserve, the auctioneer has sole discretion to establish a minimum opening bid and may refuse an offer of less than half of the published estimate. Any lot that does not reach its reserve or opening bid requested by the auctioneer will be announced as "passed" and excluded from the prices realized lists after the sale. The Galleries may have a direct or indirect ownership interest in any or all lots in the sale resulting from an advance of monies or goods-in-trade or a guarantee of minimum net proceeds made by the Galleries to the seller.

5. Any lot, the description of which is obviously incorrect, is returnable, but only if the lot is returned within 14 days of receipt. All disputed lots must be returned intact with the original packing material. The following lots may not be returned for any reason: Lots containing ten or more items; lots from buyers who have registered for the pre-sale exhibition or received lots by postal viewing, thereby having had the opportunity to inspect them before the sale; any lot described with "faults" or "defects" may not be returned because of any fault or defect. No illustrated lots may be returned because of centering, margins or other factors shown in the illustrations.

6. Successful bidders, unless they have established credit with the Galleries prior to the sale, must make payment in full before the lots will be delivered. Buyer is not known to the Galleries must make payment in full within three days from the date of sale. The Galleries retain the right to demand a cash deposit from anyone prior to bidder registration and/or to demand payment at the time the lot is knocked down to the highest bidder, for any reason whatsoever. In the event that any buyer refuses or fails to make payment in cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to reoffer the lot immediately for sale to the highest bidder.

7. If the purchase price has not been paid within the time limit specified above, nor lots taken up within seven days from the date of sale, the lots will be resold by whatever means deemed appropriate by the Galleries, and any loss incurred from resale will be charged to the defaulting buyer. Any account more than thirty days in arrears will be subject to a late payment charge of 1% per month as long as the account remains in arrears. Any expenses incurred in securing payment from delinquent accounts will be charged to the defaulter. A fee of $250.00 per check will be charged for each check returned for insufficient funds.

8. All lots are sold as genuine. Any lot which is accompanied by an expert certificate (for U.S. items, the accepted authority is The Philatelic Foundation), dated within the past five years of the sale date, is sold "as is" and in accordance with the description on the certificate. Such lots may not be returned for any reason, including but not limited to a contrary certificate of opinion obtained after the sale. Buyers who wish to obtain a certificate for any item that is not accompanied by a certificate dated within the past five years may do so, provided that the following conditions are met: (1) the purchase price must be paid in full, (2) the item must be submitted to an acceptable expertizing committee with a properly executed application form within 21 days of the sale, (3) a copy of the application form must be given to the Galleries, (4) in the event that an adverse opinion is received, the Galleries retain the right to resubmit the item on the buyer's behalf for reconsideration, without time limit or other restrictions, (5) unless written notification to the contrary is received, items submitted for certification will be considered cleared 90 days from the date of sale, and (6) in the event any item is determined to be "not as described", the buyer will be refunded the purchase price and the certification fee up to $100.00 unless otherwise agreed.

9. Until paid for in full, all lots remain the property of the Galleries on behalf of the seller.

10. Agents executing bids on behalf of clients will be held responsible for all purchases made on behalf of clients unless otherwise arranged prior to the sale.

11. The buyer assumes all risk for delivery of purchased lots and agrees to pay for prescribed shipping costs (see back of Bid Form).

12. The bidder consents that any action or proceeding against it may be commenced and maintained in any court within the State of New York or in the United States District Court for the Southern District of New York, that the courts of the State of New York and United States District Court for the Southern District of New York shall have jurisdiction with respect to the subject matter hereof and the person of the bidder. The bidder agrees not to assert any defense to any action or proceeding initiated by Galleries based upon improper venue or inconvenience forum. The bidder agrees that any action brought by the bidder shall be commenced and maintained only in a Federal Court in the United States District Court for the Southern District of New York or the State Court in the county in which Galleries has its principal place of business in New York. These Terms and Conditions shall be governed by and construed in accordance with the substantive laws of the State of New York.

Grading Terms, Abbreviations and Values Used in Descriptions

Centering and Gum
Margin width, centering and gum are graded according to Scott Catalogue standards.

Extremely Fine (EF): Exceptionally large margins or near perfect centering. The term “Gem” describes condition that is the finest possible for the issue.

Very Fine (VF): Normal size margins for the issue and well-centered with the design a bit closer to one side.

Fine (F): Smaller than usual margins or noticeably off center. Pre-1890 issues may have the design touched in places.

Very Good (VG): Attractive appearance, but margins or perforations cut into the design.

Good (G) or Average (Ave.): Cut into or perf s far into design and usually with slight faults. This condition is generally acceptable for rarities, scarce multiples or stamps used on unusual covers.

Covers

Minor nicks, short edge tears, flap tears and slight reduction at one side are normal conditions for 19th century envelopes. Folded letters should be expected to have at least one file fold. Light cleaning of covers and small mends along the edges are accepted forms of conservation. Unusual covers may have a common stamp with a slight crease or tiny tear. These flaws exist in virtually all 19th century covers and are not always described. They are not grounds for return.

Catalogue Values and Estimates
Unless otherwise noted, the currently available Scott Catalogue values are quoted in dollars with a decimal point. Other catalogues are often used for foreign countries or specialized areas and are referred to by their common name: Stanley Gibbons (SG), Dietz, American Air Mail Catalogue (AAMC), Michel, Zumstein, Facit, etc. Estimates are indicated with an “E.” and reflect our conservative valuation in dollars. Reserves will never exceed the low end of the estimate range; they will sometimes exceed Scott Catalogue value for stamps in Extremely Fine condition.

Because of certain pricing inconsistencies in the Scott Catalogue—for example, blocks that have no gum, the absence of premiums for Mint N.H. items, etc.—we cannot guarantee the accuracy of values quoted for multiples, specialized items and collection lots. We generally try to be conservative, but buyers may not return a lot because of a discrepancy in catalogue value due to Scott pricing inconsistencies.

INTRODUCTION

"Collectors look for the interesting, the unusual, the beautiful, and from the results of their finds they get knowledge and a feeling of accomplishment."

Duane H. Hillmer
Pictorial Treasury of U.S. Stamps

IN 1970, A STAMP COLLECTOR FROM OMAHA, NEBRASKA, PAID $2.25 MILLION for the Scott Publishing Company, creators of the Scott Catalogue and manufacturers of albums for collectors. The gentleman’s name was Duane Hillmer. It is not an overstatement to say that for several years Mr. Hillmer was one of the leading forces in American philately. He collected on a grand scale. He was publisher of the collectors' bible to stamps and their values. And, perhaps more than anyone before him, Duane Hillmer embraced color printing as a means to convey the beauty of the stamps he loved as an art form.

In December 1998, at the age of 82, Duane Hillmer passed away. Mr. Hillmer was highly regarded by members of his community in Omaha, where he was a civic leader and patron of the arts. In philately, his prominent role in the 1970's will be remembered by those who were there, and to this day the innovations he made continue to benefit philately.

To the select group of professionals who worked with Mr. Hillmer on his stamp collections in recent years, Mr. Hillmer’s loss leaves a void — measured not by sales, but by the conspicuous absence of his resonant voice on the telephone, eager to bid and to buy in the quest for beautiful stamps. When his health began to fail him, Mr. Hillmer derived intense satisfaction from the process of acquiring choice and rare stamps. The introduction he wrote for Pictorial Treasury of U.S. Stamps, from which the above quote is derived, also contained this comment: “Acqurement is related to self-preservation, a prime instinct in nearly everyone.”

Robert A. Siegel and Duane Hillmer were good friends. One came from Kansas City; the other from Omaha. They were close in age, and during the 1970's they were a big part of the organizing force in stamp collecting in this country. If Mr. Siegel were alive today, he would have written this introduction for his friend. Nonetheless, the firm that bears the Siegel name is honored to have been given the responsibility to sell the Hillmer collection, and I am personally gratified to make this dedication.

The artwork chosen for the catalogue cover is a photograph of the stained-glass window at 407 Royal Street in New Orleans, the shop of Raymond and Roger Weill. It was featured in Pictorial Treasury and graciously loaned by Raymond H. Weill for this catalogue. For a catalogue dedicated to a passionate collector and art lover, we can think of no better image.

On to the rescue, the Vandals are coming—
Go meet them with bayonet, saber and spear;
Drive them back to the desolate land they are leaving—
Go, trusting in God, you'll have nothing to fear.

"THE GIRL I LEFT BEHIND ME."

He turned and left the spot—O! do not deem him weak—
For in his heart the soldier's love, living and true, was
As soft as the earth, the sunlight, or the bright blue sky.

**Shipping and Transit Insurance**

We will be pleased to arrange for shipping and transit insurance for purchases in this sale (except those described as “floor sale only”). To expedite billing and delivery of lots to hundreds of buyers per sale, we use standard charges for postage and insurance, based on the invoiced total and mailing requirements (see schedule). The standard charges are sometimes slightly more or less than the actual postage, but we do not include any fees for our labor or packing costs. Therefore, we ask all buyers to remit the prescribed amount for shipping charges.

Transit insurance is provided in all cases, except when the buyer has furnished us with proof that insurance coverage is effective under another policy. Proof, in such cases, will be accepted in the form of a written certificate from the insurance carrier.

You are responsible for insurance charges, which will be added to your invoice. This coverage is provided for our mutual protection against theft or loss in transit.

**Bidding Increments**

The auctioneer may regulate the bidding at his discretion. However, to assist absentee bidders in establishing their maximum bid for each lot, the increments shown at right will be used in most cases. We recommend that written bids conform to these increments (those which do not will be reduced to the next level).
SERVICES FOR BUYERS
If you wish to participate in our auctions, we will be pleased to assist you in many ways. Most of the following services are provided without additional charge.

Mail Viewing
Subject to availability, many lots can be sent to established clients (or those who submit references) for examination. Requests must be made no later than five days prior to the auction. Lots must be returned on the day of receipt. Postage/insurance costs will be invoiced. Large lots will not be available for mail viewing.

Viewing by Appointment
In addition to the regular public viewing hours, prospective bidders may view lots at our galleries by appointment.

Lot Review
Our on-staff philatelists will be pleased to review the description of any lot and provide more detailed information.

Opening Bids
During the two days prior to the sale, we will furnish approximate opening bids by phone or fax. Openings often change (up or down) and cannot be guaranteed as a reliable indicator of where the auctioneer will start the bidding. Opening bids will not be given on sale days.

Hotel and Restaurant Reservations
We will be pleased to furnish the names of good hotels and restaurants in the area. During peak seasons, we may be able to assist in placing reservations.

Absentee Bidding by Phone or Fax
Bidders who cannot attend the sale may leave written bidding instructions (see Bid Form). Bids called in must be confirmed in writing by fax or mail.

Telephone Bidding
Prospective bidders may apply for a telephone link to the auction and bid through one of our staff members. Applicants must call at least 24 hours prior to the sale date. Phone links are subject to availability and may be cancelled due to oversubscription.

Expert Certification
Individual items offered without a Philatelic Foundation certificate (or other accepted authority’s certificate) dated within the past five years may be purchased subject to certification (please see Conditions of Sale for details).

Shipping and Delivery of Lots
Instructions for shipping must be given to the gallery prior to or immediately after the sale. Unless special instructions are received, we will follow the shipping guidelines on the back of the Bid Form. Buyers are responsible for all prescribed shipping charges, whether or not the actual out-of-pocket expense is equal to the invoiced charge.

Prices Realized
A list of prices realized will be included with every buyer’s invoice. We will accept phone and fax requests for prices realized at any time during or after the auction. For those who qualify, our ASAP Prices Realized service will provide faxed daily results during the evening of the sale day (application available upon request). Printed prices realized lists are mailed to all others within 30 to 60 days of the sale.

SERVICES FOR SELLERS
If you wish to sell stamps, we will be pleased to provide the following standard services and options. Specially tailored proposals will be made for significant items and collections.

Appraisals
Verbal appraisals of material brought to our galleries are free of charge. Written appraisals for estate tax, insurance or other purposes are billed at hourly ($50) or daily ($500) rates. Fees will be rebated if the property is consigned within a certain period of time.

On-Site Sale Consultation
If your consignment is worth $75,000 or more, we will travel to you at our expense.

Consignment Deadlines
Closing dates for consignment can always be found in our quarterly newsletter, The Siegel Despatch, and in our website: http://SiegelAuctions.com/home.htm.
