Syracuse, New York, 2001.04.16.

FRANCE, 1853.

I have examined the Postage Stamp issued by France, on December 3rd of 1854, "Emperor Napoleon III", 25 centimes blue, imperforated, on white wove paper without watermark, Scott Catalogue #17, Ceres #15, unused, a colour reproduction of which is below, magnified to 125% of true size, and am of the opinion that:

the stamp is a **genuine in all respects**, with original gum, and lightly hinged. Previously expertized by Roger Calves (1995), and signed by G. Oliva. I have signed it.
