Information for Bidders

Bidding
The following means are available for placing bids:

1) Attending the Live Auction in Person: All bidders must register for a paddle, and new bidders must provide references at least three business days in advance of the sale.

2) Live Internet Bidding: Instructions for participating as a Live Internet Bidder are provided on the page opposite.

3) Phone Bidding: Bidders can be connected to the sale by phone and bid through a member of staff. Requests for phone bidding are subject to approval (please contact our office at least 24 hours before the sale). A signed Bid Form is required.

4) Absentee Bids. All bids received in advance of the sale, either by mail, fax, phone, e-mail or internet, are Absentee Bids, which instruct the auctioneer to bid up to a specific amount on one or more lots in the sale. Absentee Bids sent by phone, fax or e-mail should arrive at least one hour prior to the start of the sale session. Bids entered through Live Internet Bidding will be visible to the auctioneer during the sale. Written bids should be entered legibly on the Bid Form in the sale catalogue. E-mail and internet bids should be carefully typed and double-checked. All new bidders must provide references. We recommend calling or e-mailing to confirm that Absentee Bids sent by mail, fax or e-mail have been received and entered.

Pre-Sale Viewing
Subject to availability, certain lots (except group lots) can be sent to known clients for examination. Requests must be made no later than 7 days prior to the sale. Lots must be returned on the day received. Postage/insurance costs will be invoiced. In addition to regular viewing, clients may view lots by appointment. Our staff will be pleased to answer questions or provide additional information about lots.

Expert Certification
Individual items offered without a PF or PSE certificate dated within the past five years may be purchased subject to independent certification of genuineness and our description. Please refer to the Conditions of Sale and Grading Terms for policies governing certification.

Shipping and Delivery
Procedures and charges for shipping lots are printed on the back of the Bid Form. Bidders are responsible for all prescribed shipping charges and any applicable sales tax or customs duties.

Price Realized
Prices realized are sent with each invoice. Bidders with e-mail will receive a Bid Results report after the sale. Session results are posted immediately to siegelauctions.com
Live Internet Bidding at Siegel Auctions

BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

There’s NO SUBSTITUTE for following the auction in real time.
Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.
And it’s easy.

This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.

Start by following the simple steps to become a registered Live Internet Bidder.
Once you’ve been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN). To bid, you must be registered and approved by both SAN and Siegel.
To decide what you need to do, choose the description below that best fits you.

I’ve already registered with SAN and have been approved by Siegel for internet bidding.

I’m a Siegel client, but I’m not registered with SAN.
Go to stampauctionnetwork.com/siegel and click on “Register” at the top. Check the box for Robert A. Siegel Auction Galleries (under “R”) and submit the form, indicating you are a Siegel client. Once registered at SAN, you’re ready for internet bidding.

I’ve bid through SAN before, but this is the first time I’ve bid in a Siegel sale.
Then you just need to be approved by Siegel. Go to stampauctionnetwork.com/siegel and click on “Update Registration” at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you’re ready for internet bidding.

I’ve never bid with Siegel, nor registered with SAN.
Go to stampauctionnetwork.com/siegel and click on “Register” at the top. Check the box for Robert A. Siegel Auction Galleries (under “R”) and submit the form with your trade references (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you’re ready for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.
Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

Log on to the auction at stampauctionnetwork.com/siegel.
You can also log on at siegelauctions.com
When you’re logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.
• After you click on a bid amount, the auctioneer is immediately notified of your bid.
• retracting a bid is usually not acceptable, so please bid carefully.
• If you bid and then decide to stop, the “Pass” button will tell the auctioneer you are no longer bidding.
• You can send messages to the auctioneer (for example, a request for extension).
• You can track prior realizations from the bidding screen.

“System Down” or “Lost Connection” events do occasionally happen.
If you have any problems with Live Internet Bidding please call 212-753-6421 for immediate assistance.
Conditions of Sale (please read carefully before bidding)

THE PROPERTY DESCRIBED IN THIS CATALOGUE WILL BE OFFERED AT PUBLIC AUCTION BY ROBERT A. SIEGEL AUCTION GALLERIES, INC. (“GALLERIES”) ON BEHALF OF VARIOUS CONSIGNORS AND ITSELF OR AFFILIATED COMPANIES. BY BIDDING ON ANY LOT, WHETHER DIRECTLY OR BY OR THROUGH AN AGENT, IN PERSON, OR BY TELEPHONE, FACSIMILE OR ANY OTHER MEANS, THE BIDDER ACKNOWLEDGES AND AGREES TO ALL OF THE FOLLOWING CONDITIONS OF SALE.

1. The highest bidder acknowledged by the auctioneer shall be the buyer. The term “final bid” means the last bid acknowledged by the auctioneer, which is normally the highest bid offered. The purchase price payable by the buyer will be the sum of the final bid and a commission of 15% of the final bid (“buyer’s premium”), together with any sales tax, use tax or customs duties due on the sale.

2. The auctioneer has the right to reject any bid, to advance the bidding at his discretion and, in the event of a dispute, to determine the successful bidder, to continue the bidding or to resell and resell the lot in dispute. The Galleries’ record of the final sale shall be conclusive.

3. All bids are per numbered lot in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots, to withdraw any lot or lots from the sale, or to act on behalf of the seller. The Galleries will execute bidding instructions on behalf of clients, but will not be responsible for the failure to execute such bids or for any errors in the execution of such bids.

4. Lots with numbers followed by the symbol * are offered subject to a confidential minimum bid (“reserve”), below which the lot will not be sold. The absence of the symbol * means that the lot is offered without a reserve. If there is no reserve, the auctioneer has sole discretion to establish a minimum opening bid and may refuse an offer of less than half of the published estimate. Any lot that does not reach its reserve or opening bid requested by the auctioneer will be announced as “passed” and excluded from the prices realized lists after the sale. The Galleries may have a direct or indirect ownership interest in any or all lots in the sale resulting from an advance of monies or goods-in-trade or a guarantee of minimum net proceeds made by the Galleries to the seller.

5. Subject to the exclusions listed in 5(A), the Galleries will accept the return of lots which have been misidentified or which have obvious faults that were present when the lot was in the Galleries’ custody, but not so noted in the lot description. All disputed lots must be received by the Galleries intact with the original packing material within 3 days of delivery to the buyer but no later than 30 days from the sale date. (5A) EXCLUSIONS: The following lots may not be returned for any reason, or may not be returned for the reasons stated: i) lots containing 10 or more items; ii) lots from buyers who registered for the pre-sale exhibition or received lots by postal viewing, thereby having had the opportunity to inspect them before the sale; iii) any lot described with “faults,” “defects” or a specific fault may not be returned because of any secondary fault; iv) photographed lots may not be returned because of centering, margins, short/nibbed perforations or other factors shown in the illustrations; v) the color of the item does not match the color reproduction in the sale catalogue or website listing; vi) the description contains inaccurate information about the quantity known or reported; or vii) a certification service grades a stamp lower than the grade stated in the description.

6. Successful bidders, unless they have established credit with the Galleries prior to the sale, must make payment in full before the lots will be delivered. Buyers not known to the Galleries must make payment in full within 3 days from the date of sale. The Galleries retains the right to demand a cash deposit from anyone prior to bidder registration and/or to demand payment at the time the lot is knocked down to the highest bidder, for any reason whatsoever. In the event that any buyer refuses or fails to make payment in cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to reoffer the lot immediately for sale to the highest bidder. Credit cards (Visa, Mastercard and Discover only) can be accepted as payment but will be subject to a 3% Convenience Fee, which will be added to the total of the entire invoice (including hammer price, buyer’s premium, shipping and transit insurance charges and any applicable taxes).

7. If the purchase price has not been paid within the time limit specified above, nor lots taken up within 7 days from the date of sale, the lots will be resold by whatever means deemed appropriate by the Galleries, and any loss incurred from resale will be charged to the defaulting buyer. Any account more than 30 days in arrears will be subject to a late payment charge of 1½% per month as long as the account remains in arrears. Any expenses incurred in securing payment from delinquent accounts will be charged to the defaulter. A fee of $250.00 per check will be charged for each check returned for insufficient funds.

8. All lots are sold as genuine. Any lot accompanied by a certificate issued by The Philatelic Foundation or by Professional Stamp Experts within 5 years of the sale date is sold “as is” and in accordance with the description on the certificate. Such lots may not be returned for any reason, including but not limited to a contrary certificate of opinion. Buyers who wish to obtain a certificate for any item that does not have a P.F. or P.S.E. certificate (dated as above) may do so, provided that the following conditions are met: (1) the purchase price must be paid in full; (2) the item must be submitted to an acceptable expertizing committee with a properly executed application form within 21 days of the sale; (3) a copy of the application form must be given to the Galleries; (4) in the event that an adverse opinion is received, the Galleries retain the right to resubmit the item on the buyer’s behalf for reconsideration, without time limit or other restrictions, (5) unless written notification to the contrary is received, items submitted for certification will be considered cleared 90 days from the date of sale, and (6) in the event any item is determined to be “not as described”, the buyer will be refunded the purchase price and the certification fee up to $800.00 unless otherwise agreed to in writing.

9. Until paid for in full, all lots remain the property of the Galleries on behalf of the seller.

10. Agents executing bids on behalf of clients will be held responsible for all purchases made on behalf of clients unless otherwise arranged prior to the sale.

11. The buyer assumes all risk for delivery of purchased lots and agrees to pay for prescribed shipping costs. Buyers who receive lots in the U.S. are obligated to pay whatever sales tax or compensating use tax might be due, and buyers outside the U.S. are responsible for all customs duties.

12. The bidder consents that any action or proceeding against it may be commenced and maintained in any court within the State of New York in the United States District Court for the Southern District of New York, that the courts of the State of New York and United States District Court for the Southern District of New York shall have jurisdiction with respect to the subject matter hereof and the person of the bidder. The bidder agrees not to assert any defense to any action or proceeding initiated by Galleries based upon improper venue or inconvenient forum. The bidder agrees that any action brought by the bidder shall be commenced and maintained only in a Federal Court in the United States District Court for the Southern District of New York or the State Court in the county in which Galleries has its principal place of business in New York. The bidder agrees not to use a public conflict resolution service and not to use any form of social media to publish comments or information about the Galleries and its employees which might harm the Galleries’ reputation or business.

These Conditions of Sale shall be governed by and construed in accordance with the substantive laws of the State of New York, and shall constitute an agreement that shall be binding on the parties, and their respective heirs, administrators, distributees, successors and assignees.

Grades, Abbreviations and Values Used in Descriptions

Grades and Centering

Our descriptions contain detailed information and observations about each item’s condition. We have also assigned grades to stamps and covers, which reflect our subjective assessment. For stamps, the margin width, centering and gum are described and graded according to generally-accepted standards (an approximate correlation to numeric grades is provided at right). Although we believe our grades are accurate, they are not always exactly aligned with third-party grading terms or standards for all issues. A lot may not be returned because a certification service grades a stamp lower than the grade stated in the description. Information from the P.S.E. Stamp Market Quarterly and P.S.E. Population Report™ is the current available, but lots may not be returned due to errors or changes in statistics or data.

Extremely Fine Gem (90-100): The term “Gem” describes condition that is the finest possible for the issue. This term is equivalent to “Superb” used by grading services.

Extremely Fine (80-90): Exceptionally large/wide margins or near perfect centering.

Very Fine (70-85): Normal-size margins for the issue and well-centered with the design a bit closer to one side. “Very Fine and choice” applies to stamps that have desirable traits such as rich color, sharp impression, freshness or clarity of cancel.

Fine (60-70): Smaller than usual margins or noticeably off center. Pre-1890 issues may have the design touched in places.

Very Good (below 60): Attractive appearance, but margins or perforations cut into the design.

Pre-1890 Issues: Pre-1890 stamps in these categories trade at a premium over Scott value

Scott Value for “O.G.”

Disturbed Original Gum: Gum showing noticeable effects of humidity, climate or hinging over more than half of the gum. The significance of gum disturbance in valuing a stamp in any of the Original Gum categories depends on the degree of disturbance, the rarity and normal gum condition of the issue and other variables affecting quality. For example, stamps issued in tropical climates are expected to have some gum disturbance due to humidity, and such condition is not considered a negative factor in pricing.

Covers

Minor nicks, short edge tears, flap tears and slight reduction at one side are normal conditions for 19th century envelopes. Folded letters should be expected to have at least one fold. Light cleaning of covers and small mends along the edges are accepted forms of conservation. Unusual covers may have a common stamp with a slight crease or tiny tear. These flaws exist in virtually all 19th century covers and are not always described. They are not grounds for return.

Catalogue Values and Estimates

Unless otherwise noted, the currently available Scott Catalogue values are quoted in dollars with a decimal point. Other catalogues are often used for foreign countries or specialized areas and are referred to by their common name: Stanley Gibbons (SG), Dietz, American Air Mail Catalogue (AAMC), Michel, Zumstein, Facit, etc. Estimates are indicated with an “E.” and reflect our conservative valuation in dollars. Reserves will never exceed the low end of the estimate range; they will sometimes exceed Scott Catalogue value for stamps in Extremely Fine condition.

Because of certain pricing inconsistencies in the Scott Catalogue—for example, blocks that have no gum, the absence of premiums for Mint N.H. items, etc.—we cannot guarantee the accuracy of values quoted for multiples, specialized items and collection lots. We generally try to be conservative, but buyers may not return a lot because of a discrepancy in catalogue value due to Scott pricing inconsistencies.

EXTREMELY FINE. AN OUTSTANDING EXAMPLE OF THE $3.00 1875 CONTINENTAL NEWSPAPER ISSUE. ONE OF THE MOST DIFFICULT DENOMINATIONS OF THE SERIES TO OBTAIN IN SOUND, CENTERED, ORIGINAL-GUM CONDITION. THIS MAY BE THE FINEST EXAMPLE WE HAVE EVER OFFERED.

When we last offered this stamp in our 2004 sale of the “Vineyard” collection, we conducted a review of our records and stated that this is a notoriously difficult stamp to find with original gum in Extremely Fine condition. We found only one comparable example, with part original gum (which was subsequently offered in the Floyd sale). Since 2004 our views remain unchanged, and we have not encountered another example comparable to this.

1875 CONTINENTAL BANK NOTE COMPANY SPECIAL PRINTING

SET OF DOLLAR-VALUE IMPERFORATE STAMPS FROM
THE EARL OF CRAWFORD STRIPS OF FIVE

2554 ★ $1.92-$60.00 1875 Special Printing, Imperforate (PR48 var-PR56 var). Without gum as issued, bright colors on fresh paper, $9.00 close at right, $48.00 just touching at right, otherwise with large even margins, $12.00 two tiny indentations

VERY FINE-EXTREMELY FINE. A RARE SET OF THE IMPERFORATE DOLLAR VALUES OF THE CONTINENTAL 1875 NEWSPAPER SPECIAL PRINTING, WHICH WERE CUT FROM THE ORIGINAL STRIPS OF FIVE FROM THE EARL OF CRAWFORD COLLECTION.

All known genuine examples of the imperforate Newspapers & Periodicals 1875 Special Printing stamps come from the set of strips of five sold to James Ludovic Lindsay, the 26th Earl of Crawford, one of the great collectors of stamps, essays, proofs and philatelic literature at the turn of the 20th Century. Lord Crawford died on January 31, 1914, and his estate executors eventually agreed to sell the entire United States collection for $60,000 to John A. Klemann of the Nassau Stamp Company. Klemann reported his acquisition of the Earl of Crawford’s collection in the November 1915 edition of The Philatelic Gazette. Among the spectacular array of items owned by Lord Crawford were strips of the 1875 1c-90c Continental Bank Note Company Special Printings with intact selvage (Scott 167-177), the set of Official Special Printing imperforate strips and the set of Newspapers & Periodicals 1875 Special Printing imperforate strips of five.

Klemann is almost certainly the person responsible for cutting up the Earl of Crawford strips, because sets of Officials and Newspapers & Periodicals singles were sold to Benjamin K. Miller, who was an active collector from 1917 to 1924 (his collection was donated to The New York Public Library and is now on long-term loan to the Smithsonian National Postal Museum). Miller probably acquired the imperforate set directly from Nassau Stamp Company, one of his dealer sources.

A complete set from the 2c value was recently offered in our 2016 Rarities of the World sale (from the David Golden collection). Another complete set was described in an article by William E. Mooz (“Finding the Yellow Thumbprint,” The American Philatelist, November 1984). In that article, Mr. Mooz also pictured and described this part set, consisting of the $1.92 to $60.00 values. Combining the three complete sets (Miller, Mooz and Golden) with this part set of dollar values, we can account for four of the five dollar value stamps in the original Earl of Crawford strips. The whereabouts of the fifth set of singles is unknown.

The perforated 1875 Special Printing, Scott PR33-PR56, is the rarest set of all Newspapers & Periodicals stamps with two of the only verifiably unique stamps in philately, which unfortunately have never been seen. Only one copy each of the $48.00 and $60.00 perforated Special Printing stamps were sold through the Special Printing program to Paul Lietzow of Germany, and they have never been identified (the Scott Catalogue lists them without values). The next four high values have Scott values of $250,000, $125,000, $500,000 and $250,000, respectively, for a total of $1,125,000. With a Scott value of $60,000 for a complete set and only five in existence, this imperforate set of dollar values seems undervalued.

Ex Drucker. Each signed Sloane and with 1982 P.F. certificate. Listed as a footnote in Scott with a catalogue value of $60,000.00 for the full set ($2,500.00 each if the value is allocated equally across all denominations, but of course the dollar denominations are always more desirable). 2590 ★★ **10c Intense Black, 1894 Issue (PR94).** Mint N.H., choice centering with unusually wide margins on all sides, intense shade and detailed impression

**Extremely fine. A beautiful mint never-hinged example of the 10-cent 1894 unwatermarked newspaper issue.**

Only three other Mint N.H. examples are contained in Power Search, and this has the finest centering.

With 2006 P.S.E. certificate. Scott Catalogue only prices the set in Mint N.H. condition up to the 6c. Scott Retail as hinged..................................................... 1,250.00

2591 ★ **12c Pink, 1894 Issue (PR95).** Original gum, lightly hinged, brilliant color, choice centering with enormous Jumbo margins

**Extremely fine gem. A beautiful and pristine example of the 12-cent 1894 unwatermarked newspaper issue.**

This is a difficult issue to obtain in sound condition with such choice centering. We would rank this among the top two or three we have encountered.

With 2001 P.F. certificate ............................................. 2,600.00

2592 ★ **24c Pink, 1894 Issue (PR96).** Original gum, lightly hinged, radiant color, natural wrinkles at bottom not mentioned on most recent certificate, Fine, scarce, with 1981 and 2002 P.F. certificates .............................................................. 3,750.00

VERY FINE APPEARANCE. WE HAVE OFFERED ONLY TWO EXAMPLES SINCE KEEPING COMPUTERIZED RECORDS. ONLY NINE ARE CONTAINED IN OUR CENSUS OF THIS RARITY, AND NONE ARE SOUND.

Our recently updated census of PR97 (available at http://siegelauctions.com/dynamic/census/PR97/PR97.pdf) contains nine unused examples, all with original gum. None are sound — most have thin spots or creases.

60-CENT 1894 UNWATERMARKED BUREAU ISSUE

ONE OF THE BEST-CENTERED OF THE 17 RECORDED UNUSED EXAMPLES

2594 ★ 60c Pink, 1894 Issue (PR98). Original gum, natural vertical gum crease at left, tiny filled in hole to the right of "RS"

Very fine appearance. The 60-cent 1894 newspaper issue is one of the rarest of all newspaper stamps. Only seventeen unused examples are contained in our records.

Our census of PR98 is available at http://siegelauctions.com/dynamic/census/PR98/PR98.pdf. Of the seventeen unused and four used copies contained in our records, only two are potentially sound, and neither is as well-centered as this example.

Census No. PR98-OG-09. With 1990 P.S.E. and 2005 P.F. certificates, the latter not mentioning the gum crease ................................................................. 40,000.00
96-CENT 1894 UNWATERMARKED BUREAU ISSUE

ONE OF TWO SOUND EXAMPLES AMONG THE TEN RECORDED

2595 ★ 96c Pink, 1894 Issue (PR99). Original gum, lightly hinged, deep rich color on bright paper, choice centering for this difficult issue.

VERY FINE AND CHOICE. THIS IS UNQUESTIONABLY ONE OF THE FINEST EXAMPLES OF THE 1894 96-CENT UNWATERMARKED BUREAU ISSUES IN EXISTENCE. THIS IS ONE OF ONLY TWO CONFIRMED SOUND COPIES. A PHENOMENAL RARITY.

Our recently updated census of PR99 (available at http://siegelauctions.com/dynamic/census/PR99/PR99.pdf) contains ten unused copies and none used. Of these only two are confirmed as sound (two others need to be re-examined for condition). Only five are confirmed as having gum. We have offered only two unduplicated copies since keeping computerized records; both have faults.

Census No. PR99-OG-03. With 2001 P.F. certificate ................................................. 55,000.00

ONE OF ELEVEN RECORDED EXAMPLES AND
THE FINER OF THE TWO IN SOUND CONDITION

2596 ★ $3.00 Scarlet, 1894 Issue (PR100). Original gum, h.r., brilliant color, choice centering, completely sound

VERY FINE AND CHOICE. THIS IS THE FINEST EXAMPLE OF THE 1894 $3.00 UNWATERMARKED BUREAU ISSUE IN EXISTENCE. IT IS ONE OF ONLY TWO CONFIRMED SOUND COPIES. A RARITY OF THE HIGHEST ORDER.

Our recently updated census of PR100, available at http://siegelauctions.com/dynamic/census/PR100/PR100.pdf, contains only eleven copies. Only two are confirmed as sound — Census No. 03 (offered here) and No. 06 — but the other has perfs touching the design at right. Two need to be reexamined for condition, but neither is as well-centered as the example offered here.

Census No. PR100-OG-03. Ex A. Richard Engel. Signed in pencil on back. With 1967, 1992 and 2005 P.F. certificates ................................................................. 55,000.00

EXTREMELY FINE. THIS IS WITHOUT QUESTION THE FINEST ORIGINAL-GUM EXAMPLE OF THE $6.00 1894 UNWATERMARKED BUREAU ISSUE, PR101, IN EXISTENCE. ONE OF THE HIGHLIGHTS OF THE INMAN NEWSPAPERS & PERIODICALS COLLECTION.

Our recently updated census of PR101, available at http://siegelauctions.com/dynamic/census/PR101/PR101.pdf, contains fifteen unused and one used copy of this rarity. The ensuing years have not been kind to these stamps. Only six have original gum and of these only one other is sound (No. OG-04). The stamp offered here has far superior centering.

Census No. PR101-OG-03. Pencil notations on back. With 1994 and 2003 P.F. certificates. ................................................................. 55,000.00

2603 ★★ 50c Carmine, 1895 Issue (PR107). Mint N.H., brilliant color and detailed impression, choice centering with wide margins

**EXTREMELY FINE GEM. A SUPERB MINT NEVER-HINGED EXAMPLE OF THE 50-CENT 1895 UNWATERMARKED NEWSPAPER ISSUE. EASILY ONE OF THE FINEST COPIES IN EXISTENCE.**

The only other Mint N.H. examples contained in Power Search are in a strip of three which was subsequently broken. The online records of The Philatelic Foundation also contain only these four examples in Mint N.H. condition.

Ex “Silver Lake”. With 1992 and 2004 P.F. certificates. .............................. 6,250.00

2604 ★★ $2.00 Scarlet, 1895 Issue (PR108). Mint N.H., radiant color, choice centering with extra wide margins at sides

**EXTREMELY FINE GEM. AN OUTSTANDING MINT NEVER-HINGED EXAMPLE OF THE $2.00 1895 UNWATERMARKED NEWSPAPER ISSUE. THIS IS ONE OF THE MOST DIFFICULT ISSUES TO OBTAIN IN MINT NEVER-HINGED CONDITION. THIS MAY WELL BE THE FINEST EXAMPLE IN EXISTENCE.**

A Power Search review found only one other in Mint N.H. condition. A review of the online records of The Philatelic Foundation failed to find any additional examples. The example offered here has slightly better centering than the other recorded example.

Ex “Silver Lake”. With 1988 and 2004 P.F. certificates. .............................. 5,250.00
2605 ★ $5.00 Ultramarine, 1895 Issue (PR109). Original gum, lightly hinged, brilliant color, well-balanced margins, natural perf disc inclusion not mentioned on accompanying certificate, Extremely Fine, it is curious that we have never offered an example in Mint N.H. condition since keeping computerized records and none have been certified as such in the online records of The Philatelic Foundation, the Mint N.H. price should be removed from Scott Catalogue, with 2002 P.F. certificate.......................... 2,100.00

2606 ★ $10.00 Green, 1895 Issue (PR110). Original gum, lightly hinged, rich color, well-balanced and wide margins, long and full perforations

EXTREMELY FINE. POSSIBLY THE FINEST ORIGINAL-GUM EXAMPLE OF THE $10.00 1895 UNWATERMARKED BUREAU ISSUE IN EXISTENCE.

A Power Search review shows we have never offered a Mint N.H. example since keeping computerized records. None are contained in the online records of The Philatelic Foundation. It may not exist as a Mint N.H. stamp. Most hinged examples tend to have faults or are off-center. The stamp offered here, in lightly hinged condition with gum covering the entire back of the stamp, and with such choice centering, is truly remarkable. With 1989 and 2004 P.F. certificates. The Mint N.H. price should be removed from Scott Catalogue.......................... 2,500.00
2607 ★ $20.00 Slate, 1895 Issue (PR111). Barely disturbed original gum which looks pristine to us, rich color and proof-like impression, choice centering with especially wide margins at sides

EXTREMELY FINE EXAMPLE OF THE $20.00 1895 UNWATERMARKED NEWSPAPER ISSUE.

None have been certified by The Philatelic Foundation in Mint N.H. condition. The Mint N.H. price should be removed from Scott Catalogue. Small red backstamp. With 2001 P.F. certificate as "slightly disturbed o.g." ................................................................. 3,250.00

2608 ★ $50.00 Dull Rose, 1895 Issue (PR112). Original gum, lightly hinged, unusually well-centered, vivid color and proof-like impression on bright fresh paper

EXTREMELY FINE GEM. INCALCULABLY RARE IN THIS CHOICE CONDITION.

We have never offered a PR112 in Mint N.H. condition since keeping computerized records, and only two have been certified as such in the online records of The Philatelic Foundation (they are older certificates from 1986 and should be re-examined). Among hinged examples, many tend to have small faults or gum problems. The example offered here, with pristine gum and centering, is a condition rarity.

With 2000 P.F. certificate ............................................................................ 2,900.00
2609 ★ $100.00 Purple, 1895 Issue (PR113). Original gum, lightly hinged, rich color and detailed impression on bright paper, unusually wide margins, long and full perforations. EXTREMELY FINE. A BEAUTIFUL LIGHTLY-HINGED EXAMPLE OF THE $100.00 1895 UNWATERMARKED BUREAU ISSUE.

A Review of Power Search and the online records of The Philatelic Foundation did not find any in Mint N.H. condition. Scott Catalogue should remove the price for Mint N.H. condition. This is one of the finest we have ever encountered.

Shipping & Insurance

We will be pleased to arrange for shipping and transit insurance for purchases in this sale, except for lots marked or announced as “floor sale only.” To expedite billing and delivery to hundreds of buyers in each sale, we use standard charges for postage and insurance under our policy. These charges are based on the package weight and mailing requirements, according to the schedule shown here. Our standard charges do not include a fee for our services, and they may be slightly more or less than the actual postage or Fedex fee. We ask all buyers to remit the invoiced amount for shipping and insurance.

Transit insurance is provided in all cases, except when the buyer has furnished us with documentation that insurance is effective under the buyer’s own policy.

There will be no added insurance charge for shipments of less than $75,000 value. Shipments valued in excess of $75,000 may require supplemental insurance and/or special courier service, the estimated cost of which will be furnished to the buyer prior to shipment. If the buyer refuses to pay the estimated charges or furnish proof of self-insured coverage, the buyer will be responsible for picking up the lots at our office and any resulting sales tax.

Bidding Increments

The auctioneer may regulate the bidding at his discretion. However, to assist absentee bidders in establishing their maximum bids, the increments shown here will be used in most cases. We recommend that written bids conform to these increments—bids that do not will be reduced accordingly.
