4) Absentee Bids. All bids received in advance of the sale, either by mail, fax, phone, e-mail or internet, are Absentee Bids, which instruct the auctioneer to bid up to a specific amount on one or more lots in the sale. Absentee Bids sent by phone, fax or e-mail should arrive at least one hour prior to the start of the sale session. Bids entered through Live Internet Bidding will be visible to the auctioneer during the sale. Written bids should be entered legibly on the Bid Form in the sale catalogue. E-mail and internet bids should be carefully typed and double-checked. All new bidders must provide references. We recommend calling or e-mailing to confirm that Absentee Bids sent by mail, fax or e-mail have been received and entered.

Live Internet Bidding at Siegel Auctions

BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

There’s NO SUBSTITUTE for following the auction in real time.
Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.
And it’s easy.

This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.

Start by following the simple steps to become a registered Live Internet Bidder.
Once you’ve been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).
To bid, you must be registered and approved by both SAN and Siegel.
To decide what you need to do, choose the description below that best fits you.

I’ve already registered with SAN and have been approved by Siegel for internet bidding.

I’m a Siegel client, but I’m not registered with SAN.
Go to stampauctionnetwork.com/siegel and click on “Register” at the top. Check the box for Robert A. Siegel Auction Galleries (under “R”) and submit the form, indicating you are a Siegel client. Once registered at SAN, you’re ready for internet bidding.

I’ve bid through SAN before, but this is the first time I’ve bid in a Siegel sale.
Then you just need to be approved by Siegel. Go to stampauctionnetwork.com/siegel and click on “Update Registration” at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you’re ready for internet bidding.

I’ve never bid with Siegel, nor registered with SAN.
Go to stampauctionnetwork.com/siegel and click on “Register” at the top. Check the box for Robert A. Siegel Auction Galleries (under “R”) and submit the form with your trade references (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you’re ready for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.
Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

Log on to the auction at stampauctionnetwork.com/siegel.
You can also log on at siegelauctions.com
When you’re logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.
• After you click on a bid amount, the auctioneer is immediately notified of your bid.
• Retracting a bid is usually not acceptable, so please bid carefully.
• If you bid and then decide to stop, the “Pass” button will tell the auctioneer you are no longer bidding.
• You can send messages to the auctioneer (for example, a request for extension).
• You can track prior realizations from the bidding screen.

“System Down” or “Lost Connection” events do occasionally happen.
If you have any problems with Live Internet Bidding please call 212-753-6421 for immediate assistance.
**Conditions of Sale (please read carefully before bidding)**

**THE PROPERTY DESCRIBED IN THIS CATALOGUE WILL BE OFFERED AT PUBLIC AUCTION BY ROBERT A. SIEGEL AUCTION GALLERIES, INC. (“GALLERIES”) ON BEHALF OF VARIOUS CONSIGNORS AND ITSELF OR AFFILIATED COMPANIES. BY BIDDING ON ANY LOT, WHETHER DIRECTLY OR BY OR THROUGH AN AGENT, IN PERSON, OR BY TELEPHONE, FACSIMILE OR ANY OTHER MEANS, THE BIDDER ACKNOWLEDGES AND AGREES TO ALL OF THE FOLLOWING CONDITIONS OF SALE.**

1. The highest bidder acknowledged by the auctioneer shall be the buyer. The term “final bid” means the last bid acknowledged by the auctioneer, which is normally the highest bid offered. The purchase price payable by the buyer will be the sum of the final bid and a commission of 18% of the final bid (“buyer’s premium”), together with any sales tax, use tax or customs duties due on the sale.

2. The auctioneer has the right to reject any bid, to advance the bidding at his discretion and, in the event of a dispute, to determine the successful bidder, to continue the bidding or to reoffer and resell the lot in dispute. The Galleries’ record of the final sale shall be conclusive.

3. All bids are per numbered lot in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots, to withdraw any lot or lots from the sale, or to act on behalf of the seller. The Galleries will execute bidding instructions on behalf of clients, but will not be responsible for the failure to execute such bids or for any errors in the execution of such bids.

4. **Lots with numbers followed by the symbol °** are offered subject to a confidential minimum bid (“reserve”), below which the lot will not be sold. The absence of the symbol ° means that the lot is offered without a reserve. If there is no reserve, the auctioneer has sole discretion to establish a minimum opening bid and may refuse an offer of less than half of the published estimate. Any lot that does not reach its reserve or opening bid requested by the auctioneer will be announced as “passed” and excluded from the prices realized lists after the sale. The Galleries may have a direct or indirect ownership interest in any or all lots in the sale resulting from an advance of monies or goods-in-trade or a guarantee of minimum net proceeds made by the Galleries to the seller.

5. Subject to the exclusions listed in (5A), the Galleries will accept the return of lots which have been misidentified or which have obvious faults that were present when the lot was in the Galleries’ custody, but not so noted in the lot description. **All disputed lots must be received by the Galleries intact with the original packing material within 5 days of delivery to the buyer, but no later than 30 days from the date of sale.** (5A) EXCLUSIONS: The following lots may not be returned for any reason, or may not be returned for the reasons stated: i) lots containing 10 or more items; ii) lots from buyers who registered for the pre-sale exhibition or received lots by postal viewing, thereby having had the opportunity to inspect them before the sale; iii) any lot described with “fault,” “defect,” or “specific fault” may not be returned because of any secondary fault; iv) photographed lots may not be returned because of centering, margins, short/nibbled perforations or other factors shown in the illustrations; v) the color of the item does not match the color reproduction in the sale catalogue or website listing; vi) the description contains inaccurate information about the quantity known or reported; or vii) a certification service grades a stamp lower than the grade stated in the description.

6. Successful bidders, unless they have established credit with the Galleries prior to the sale, must make payment in full before the lots will be delivered. Buyers not known to the Galleries must make payment in full within 3 days from the date of sale. The Galleries retains the right to demand a cash deposit from anyone prior to bidder registration and/or to demand payment at the time the lot is knocked down to the highest bidder, for any reason whatsoever. In the event that any buyer refuses or fails to make payment in cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to reoffer the lot immediately for sale to the highest bidder. Credit cards (Visa, Mastercard and Discover only) can be accepted as payment but will be subject to a 3% Convenience Fee, which will be added to the total of the entire invoice (including hammer price, buyer’s premium, shipping and transit insurance charges and any applicable taxes).

7. If the purchase price has not been paid within the time limit specified above, nor lots taken up within 7 days from the date of sale, the lots will be resold by whatever means deemed appropriate by the Galleries, and any loss incurred from resale will be charged to the defaulting buyer. **Any account more than 30 days in arrears will be subject to a late payment charge of 1½% per month as long as the account remains in arrears. Any expenses incurred in securing payment from delinquent accounts will be charged to the defaulter. A fee of $250.00 per check will be charged for each check returned for insufficient funds.**

8. All lots are sold as genuine. Any lot accompanied by a certificate issued by The Philatelic Foundation or by Professional Stamp Experts within 5 years of the sale date is sold “as is” and in accordance with the description on the certificate. Such lots may not be returned for any reason, including but not limited to a contrary certificate of opinion. Buyers who wish to obtain a certificate for any item that does not have a P.F. or P.S.E. certificate (dated as above) may do so, provided that the following conditions are met: (1) the purchase price must be paid in full, (2) the item must be submitted to an acceptable expertizing committee with a properly executed application form within 21 days of the sale, (3) a copy of the application form must be given to the Galleries, (4) in the event that an adverse opinion is received, the Galleries retain the right to resubmit the item on the buyer’s behalf for reconsideration, without time limit or other restrictions, (5) unless written notification to the contrary is received, items submitted for certification will be considered cleared 90 days from the date of sale, and (6) in the event any item is determined to be “not as described”, the buyer will be refunded the purchase price and the certification fee up to $800.00 unless otherwise agreed to in writing.

9. Until paid for in full, all lots remain the property of the Galleries on behalf of the seller.

10. Agents executing bids on behalf of clients will be held responsible for all purchases made on behalf of clients unless otherwise arranged prior to the sale.

11. The buyer assumes all risk for delivery of purchased lots and agrees to pay for prescribed shipping costs. **Buyers who receive lots in the U.S. are obligated to pay whatever sales tax or compensating use tax might be due, and buyers outside the U.S. are responsible for all customs duties.**

12. The bidder consents that any action or proceeding against it may be commenced and maintained in any court within the State of New York or in the United States District Court for the Southern District of New York, that the courts of the State of New York and United States District Court for the Southern District of New York shall have jurisdiction with respect to the subject matter hereof and the person of the bidder. The bidder agrees not to assert any defense to any action or proceeding initiated by Galleries based upon improper venue or inconvenient forum. The bidder agrees that any action brought by the bidder shall be commenced and maintained only in a Federal Court in the United States District Court for the Southern District of New York or the State Court in the county in which Galleries has its principal place of business in New York. The bidder agrees not to use a public conflict resolution service and not to use any form of social media to publish comments or information about the Galleries and its employees which might harm the Galleries’ reputation or business. These Conditions of Sale shall be governed by and construed in accordance with the substantive laws of the State of New York, and shall constitute an agreement that shall be binding on the parties, and their respective heirs, administrators, distributees, successors and assigns.

Grades, Abbreviations and Values Used in Descriptions

Grades and Centering

Our descriptions contain detailed information and observations about each item’s condition. We have also assigned grades to stamps and covers, which reflect our subjective assessment. For stamps, the margin width, centering and gum are described and graded according to generally-accepted standards (an approximate correlation to numeric grades is provided at right). Although we believe our grades are accurate, they are not always exactly aligned with third-party grading terms or standards for all issues. A lot may not be returned because a certification service grades a stamp lower than the grade stated in the description. Information from the P.S.E. Stamp Market Quarterly and P.S.E. Population Report™ is the most current available, but lots may not be returned due to errors or changes in statistics or data.

Extremely Fine Gem (90-100): The term “Gem” describes condition that is the finest possible for the issue. This term is equivalent to “Superb” used by grading services.

Extremely Fine (80-90): Exceptionally large/wide margins or near perfect centering.

Very Fine (70-85): Normal-size margins for the issue and well-centered with the design a bit closer to one side. “Very Fine and choice” applies to stamps that have desirable traits such as rich color, sharp impression, freshness or clarity of cancel.

Fine (60-70): Smaller than usual margins or noticeably off center. Pre-1890 issues may have the design touched in places.

Very Good (below 60): Attractive appearance, but margins or perforations cut into the design.

1890-1935 ISSUES

Scott “Never Hinged” Values for Nos. 219-771 Scott Value for “O.G.” (Actual value will be affected by the degree of hinging) Disturbed Original Gum: Gum showing noticeable effects of humidity, climate or hinging over more than half of the gum. The significance of gum disturbance in valuing a stamp in any of the Original Gum categories depends on the degree of disturbance, the rarity and normal gum condition of the issue and other variables affecting quality. For example, stamps issued in tropical climates are expected to have some gum disturbance due to humidity, and such condition is not considered a negative factor in pricing.

Catalogue Values and Estimates

Unless otherwise noted, the currently available Scott Catalogue values are quoted in dollars with a decimal point. Other catalogues are often used for foreign countries or specialized areas and are referred to by their common name: Stanley Gibbons (SG), Dietz, American Air Mail Catalogue (AAMC), Michel, Zumstein, Facit, etc. Estimates are indicated with an “E.” and reflect our conservative valuation in dollars. Reserves will never exceed the low end of the estimate range; they will sometimes exceed Scott Catalogue value for stamps in Extremely Fine condition.

Because of certain pricing inconsistencies in the Scott Catalogue—for example, blocks that have no gum, the absence of premiums for Mint N.H. items, etc.—we cannot guarantee the accuracy of values quoted for multiples, specialized items and collection lots. We generally try to be conservative, but buyers may not return a lot because of a discrepancy in catalogue value due to Scott pricing inconsistencies.

804 ★ Thos. Allen, 1¢ Green, Old Paper (RO5a). Original gum, h.r., fresh bright color, clear margins, Very Fine example of this beautiful St. Louis match company’s “bears” design, reminiscent of the 1845 Postmaster’s Provisional issue...

806 American Match Co., 3¢ Black, Old Paper (RO11a). Choice centering with wide margins, crisp impression, couple minor flaws, including tiny tear and small thin spots, otherwise Very Fine, ex “Scarsdale”............. 550.00

Probably Enoch G. Selby of Selby & Taylor, predecessor to the American Match Co.
The American Match Company of Rock Island, Illinois, was formed by William C. Welch and Francis A. Warren. An advertisement for their “Superior Friction Matches” appeared in the July 5, 1867, edition of the Rock Island Evening Argus. Days later another notice appeared, announcing that the partnership had been dissolved and that Welch would carry on the business (Perry, p. 219). Only 44,000 stamps (all 3¢) were supplied in one order, delivered on October 31, 1866. The undelivered balance was destroyed (Boston Revenue Book, p. 143). Perry regarded the “Rock Island” issue as “the most famous of all the match stamps.”

**American Match Co., 3¢ Green, Old Paper (RO13a).** Deep rich color, some slight toning, few small faults

FINE APPEARANCE, A RARE EXAMPLE OF THE AMERICAN MATCH CO. ROCK ISLAND PRIVATE DIE STAMP. ONLY TWELVE EXAMPLES ARE RECORDED IN THE ALDRICH CENSUS AND AT LEAST NINE ARE FAULTY TO SOME DEGREE.

Of the twelve examples recorded in the Aldrich book, only three are potentially sound. We offered one in our Sale 1067, but the perfs are into the design on two sides.

BARBER MATCH COMPANY
MIDDLEBURY, OHIO

Ohio Columbus Barber (1841-1920) founded the Barber Match Company in 1867 as the successor to earlier partnerships with his brother, George (pictured on the stamp below), and Barber & Peckham. In 1881 the Barber Match Company merged with several other match producers to create the Diamond Match Company. O. C. Barber served as the company’s first vice president and became president in 1888.

Barber Match Co., 1c Blue, Watermarked, Rouletted (RO18d). Three huge margins, clear to touched at bottom, fresh color, small corner crease at top right

FINE APPEARANCE. A PARTICULARLY CHOICE EXAMPLE OF THE EXTREMELY RARE ONE-CENT BARBER MATCH CO. ROULETTED ISSUE. ONLY NINE ARE RECORDED IN THE ALDRICH CENSUS.

This issue is frequently counterfeited, as the supply of regularly perforated 1c watermarked stamps is plentiful. There are nine examples recorded in the Aldrich census, but at least one of those has received a negative certificate from The Philatelic Foundation. Ex “Scarsdale”. With 2005 and 2010 P.F. certificates................................. 5,000.00

**Bousfield & Poole, 3c Lilac, Old Paper (RO36a).** Brilliant color which looks closer to a deep red brown color than the few others we have sold, few faults as often associated with this oversize issue, including thin spots and light creases.

FINE APPEARING EXAMPLE OF THE BOUSFIELD & POOLE 3-CENT MATCH ISSUE ON OLD PAPER, IN AN UNUSUAL COLOR.

In *Private Die Match Stamps* by Christopher West, the nom-de-plume of Elliott Perry, the author states "it is hard to say what the color looked like when it was printed for the stamps always have a faded out appearance and range from a dirty pale grayish brown to a deeper reddish brown that is not quite so hideously unattractive." The example offered here has a far more distinct color than the other two found with Power Search.

The Aldrich census contains 20 examples, of which 15 have faults. Ex Tolman and "Scarsdale".......................... 5,000.00

**Bousfield & Poole, 3c Black, Silk Paper (RO37b).** Choice centering with extra wide margins, intense shade and impression, small thin spot at left, appears Extremely Fine, ex Tolman.......................... 150.00

821  Brown & Durling, 1c Black, Old Paper (RO43a). Choice centering, intense shade and impression, barest trace of cancels or soiling at bottom right and top right. VERY FINE AND CHOICE. A RARE SOUND AND CENTERED EXAMPLE OF THE ONE-CENT BLACK BROWN & DURLING MATCH ISSUE. The Aldrich census records only 20 examples, of which five are sound. We were able to locate one of the sound copies in our records, and it has perfs into the design on two sides. The sound and centered example offered here is a true condition rarity. Ex Tolman. With 2007 P.F. certificate........ 2,250.00

822  L. W. Buck & Co., 1c Black, Old Paper (RO45a). Choice centering, detailed impression, central thin spots. VERY FINE APPEARANCE. AN ATTRACTIVE EXAMPLE OF THE L. W. BUCK & COMPANY’S ONE-CENT STAMP ON OLD PAPER. ONLY 16 ARE RECORDED. The Buck plant was destroyed by fire circa 1870 and was never rebuilt, leaving a brief period when the stamps would have been used. The Aldrich book records only 16 examples. We have offered only three others since keeping computerized records, two of which were repaired........ .......................................................... 3,000.00

823  L. W. Buck & Co., 1c Black, Experimental Silk Paper (RO45e). Crisp impression, thinned, appears Fine, scarce, the Buck plant was destroyed by fire circa 1870 and was never rebuilt, leaving a brief period when the stamps would have been used, only 20 are recorded in the Aldrich census, ex Himpsl........... 2,250.00
D. BURHANS & COMPANY
BURLINGTON, IOWA

A(gustus) H. Burhans & Co. advertised percussion matches as early as 1855 (Daily Hawk Eye and Telegraph, Aug. 1, 1855). D. Burhans & Company received 504,900 stamps on old paper and 97,050 on silk paper. Perry commented that the former issue was very scarce, and of the latter on silk paper he had seen no more than a half-dozen copies. The portrait on the stamp is of the proprietor, Denzlow Burhans (1820-1903).

D. Burhans & Co., 1c Black, Old Paper (RO46a).
Choice centering, intense shade and impression, few trivial imperfections, Extremely Fine, ex Tolman

D. Burhans & Co., 1c Black, Silk Paper (RO46b). Intense shade and impression, small corner crease at top left, light diagonal crease

VERY FINE APPEARANCE. A BEAUTIFUL EXAMPLE OF THE D. BURHANS & COMPANY PRIVATE DIE MATCH STAMP ON SILK PAPER. ONLY SEVEN ARE RECORDED.

The Aldrich census records a total of seven copies, of which at least four have faults. Power Search located three others, all faulty (one repaired), and the Joyce copy also had faults, so it seems likely that most have faults (we have confirmed that five have faults).

Ex Bulkley. With 2012 P.F. certificate.......................................................... 12,500.00
826  D. Burhans & Co., 1c Black, Experimental Silk Paper (RO46e). Showing blue silk fiber, choice centering, intense shade and impression

VERY FINE AND CHOICE. A RARE SOUND AND CENTERED EXAMPLE OF D. BURHANS & COMPANY PRIVATE DIE MATCH STAMP ON EXPERIMENTAL SILK PAPER.

The Aldrich book records only 18 copies, of which half are sound. We are aware of only one other, ex Joyce, that compares favorably to the example offered here.

Byam, Carlton & Co., 1c Black Wrapper, 131 x 99mm (RO50a). Large margins three sides, just touched at top, completely free from the faults that can plague this issue (light vertical creases at sides are from use on the package of matches).

Very fine appearance. A rare example of the large Byam, Carlton & Co. match wrapper.

According to Private Die Match Stamps by Christopher West, the nom-de-plume of Elliott Perry, the company Byam, Carlton was one of the largest match manufacturers. They issued most of their matches in books of wooden matches, twelve to a book. The books of twelve were bundled into packages of eight, the tax on which was 1c. It would have been prohibitively expensive to wrap them in a package and then affix a stamp to the package. The company applied to the government for a stamp built into the center of the wrapper, which under law it was their right to ask for. Given the quantities needed, engraved plates would have cost $30,000 per year to use and maintain, so the work was subcontracted by Butler & Carpenter to the American Phototype Company.

The Aldrich census records only 18 examples, of which perhaps six are sound. This is an amazingly small amount, given the large quantities issued. ......................... 2,250.00

A. GOLDBACK
RICHMOND, VIRGINIA

According to the Internal Revenue Record and Customs Journal, in April 1877 A. Goldback entered into “friendly” litigation with the U.S. Government, to test and decide an issue. Their matches were packaged in one box with two drawers, of such design that one of the boxes could be used without disturbing the other. Each drawer held less than 50 matches. The tax on matches was one cent for quantities of 100 or less. The issue was whether the two drawers constituted two packages of under 100 matches, and would be subject to two cents of tax, or whether the whole should be considered one package, and subject to one cent in tax. The ruling decided in the favor of the company, because each package was “not in condition for mercantile shipment or handling or sale from hand to hand.”

EXTREMELY FINE APPEARANCE. THE GOLDBACK PRIVATE DIE MATCH STAMP ON PINK PAPER IS ONE OF THE RAREST OF ALL UNITED STATES STAMPS. ONLY FOUR OR FIVE COPIES ARE KNOWN TO EXIST, AND THIS IS THE FIRST WE HAVE OFFERED IN MEMORY.

According to Private Die Match Stamps by Christopher West, the nom-de-plume of Elliott Perry, the stamps associated with this firm are the only match stamps issued in the state of Virginia. A. Goldback was the successor firm to A. Goldback & Co., after Emanuel Bear left the firm. The previous stamp in use by the firm, with the name A. Goldback & Co. on it (Scott RO95b), was engraved and printed by the Philadelphia firm Carpenter & Co. The new die, without the “& Co.” was one of the first private die match stamps to be engraved by National Bank Note Company in New York, and one of the first to be printed on pink paper. The die was approved October 16, 1875, and was first issued in November of the same year.

The variety on pink paper was not discovered until nearly 20 years after it was first issued. The 1980 West book notes five are known, while the 1992 Aldrich census records only four. This is the first we have offered since keeping computerized records.

By 1865 the company became known as Greenleaf & Company. The 5¢ stamps were issued for use on packages of 500 matches. They were issued from November 1864 through August 1872. 1,096,032 were issued on Old Paper and 68,000 on Silk Paper. The Ives match factory was located in Wallingford Conn., near several other match factories. An 8¢ denomination for a match stamp is unusually high. In Private Die Match Stamps the author suggests 8¢ would pay the tax on double packages of 400 matches, an unusually large size that was used most frequently on the West Coast. He suggests this type of use would also explain their low survival rate for even the old and silk papers in the normal color.

JOHN J. MACKLIN & COMPANY
COVINGTON, KENTUCKY

John J. Macklin operated numerous match factories, including nineteen that were destroyed by fire. Between 1865 and 1867 Macklin ordered his “Shanghai Matches” stamps from the American Phototype Co. When other match manufacturers saw the inferior workmanship of the stamp, they called it to the attention of Butler, Carpenter & Co., who reported it to the authorities as a stamp easy to counterfeit (the correspondence is quoted in the Boston Revenue Book, pp. 188-190). Butler & Carpenter refused to print from the same plate, and Macklin refused to have a new plate made due to the cost and his losses from fires. He used 1¢ Proprietary stamps for a period of time.

**VERY FINE APPEARANCE. ONE OF THREE RECORDED EXAMPLES OF THE JOCK & WILDNER MATCH STAMP.**

This stamp is discussed in detail in *Private Die Match Stamps* by Christopher West, the nom-de-plume of Elliott Perry. In his article, Perry notes that the Office of the Commissioners of Internal Revenue responded to an 1894 inquiry about Jock & Wildner by stating that "the records of this Department fail to show that any such stamp was ever issued or authorized by the Government". Despite the absence of records documenting the issue, some students believe the few known examples are genuine. Copies have been included in many important Revenue collections (if only for reference), including those formed by Hiram Deats, Clarence Eagle and E.B. Sterling. The three recorded examples are: 1) ex Lilly, Kingsley, Tolman and Bulkley, the stamp offered here; 2) ex Robert Cunliffe; and 3) ex Morton Dean Joyce. THE UNIQUE ONE-CENT ON WATERMARKED PAPER

Maryland Match Co., 1c Blue, Watermarked Paper (RO131d). Showing clear “U” of watermark inverted in relation to orientation of the stamp, deep rich color, expert small repair at top

VERY FINE APPEARANCE. THE CELEBRATED UNIQUE EXAMPLE OF THE ONE-CENT MARYLAND MATCH COMPANY STAMP ON WATERMARKED PAPER. THE HIGHLIGHT OF THE INMAN PRIVATE DIE MATCH STAMP COLLECTION AND OFFERED AT AUCTION FOR THE FIRST TIME IN 26 YEARS.

The complete story of the discovery of the Maryland Match Co. stamp on watermarked paper is told in Private Die Match Stamps by Christopher West, the non-de-plume of Elliott Perry. Maryland Match Co. was the successor to the Excelsior Match Co., and the stamps are based on the die used by the former with some alterations. Stamps for the new firm were first issued in 1872 and last issued in 1874, and were printed on silk paper.

The records of the Bureau of Engraving and Printing show that between Sep. 5, 1882, and Feb. 12, 1883, the firm Titlebaum & Macklin ordered just over one million one-cent stamps of this design, all of which were printed on the Bureau’s watermarked paper. The watermarked stamps were delivered to the Bureau of Internal Revenue, but apparently were destroyed, except for this sole copy. They may never have been delivered to the match company, since a supply of the silk paper was still on hand.

The story of the discovery of the Maryland Match Co. watermarked stamp is told by Edward Phelps, the first owner of this rarity, who started collecting stamps around 1880 at the age of 12 in Worcester, Massachusetts. His parents were also collectors in non-philatelic fields. His father took a position with the Agriculture Department in Washington starting in 1882, leaving his wife and son in Worcester. Around 1884 or 1885, his father became acquainted with the clerk at the Bureau of Internal Revenue who was in charge of the stamp vaults and destroying obsolete remainders. The clerk told his father that he was in the habit of taking one stamp from each sheet to be destroyed and saving them in an envelope. This envelope was also the source of the unissued Caterson, Brotz & Co, playing card stamp (Scott RU1 — see lot 918 in this sale). The clerk sold the envelope full of stamps to Phelps’s father for $25, who then immediately sold the RU1 stamp to a collector for $50. The elder Phelps mounted some on 1874-edition Scott album pages and left some in the original envelope.

In 1891 Edward Phelps visited his father in Washington and took back the stamps with him. He was acquainted with the authors of The Boston Revenue Book, which was published in 1899 and was largely compiled from official records. About a year after the book was published, Phelps came across the addenda in the back of the book detailing the printing by the Bureau on watermarked paper; the book states no copies are known. Phelps checked the stamps obtained by his father from the clerk, and discovered that the Maryland Match Co. stamp was printed on watermarked paper. Phelps also notes that when his collection was sold in 1906, an assistant at the auction company damaged the stamp at top, which has since been repaired.

VAN RENSSelaER Powell
TROY, NEW YORK

Van Rensselaer Powell started his match business as early as 1859, and in June 1863 he was granted patent 38911 for his “machine for splitting match blocks” (illustrated here). In July 1865 he received another patent (49002) for a method of manufacturing friction matches. He sold the business to Bogardus & Griswold in 1869, and that firm changed its name to J. M. Bogardus in 1870. That company was sold to the Atlantic Match Company in 1875. The wrappers were probably made by the American Phototype Co.

VERY FINE APPEARANCE. ONE OF THE FINEST EXAMPLES OF THE ONE-CENT V. R. POWELL ON UN CUT BUFF WRAPPER IN EXISTENCE. PERHAPS FIVE OR SIX UNCUT ARE RECORDED.

According to Private Die Match Stamps by Christopher West, the nom-de-plume of Elliott Perry, this was produced by the American Phototype Company, and a die proof was approved by Commissioner Lewis on May 6, 1865. A few months later legal proceedings were brought against V. R. Powell, because they were being used to wrap matches in such a way that the wrapper would not be rendered unusable in the future. Perry notes the suit was likely dropped when Powell agreed not to use the wrappers. In an interesting end to the story, sometime around 1900 noted dealer H. F. Colman learned that a room in Powell’s home in Troy N.Y. was papered with these wrappers. He went to the home and found that the room was indeed papered with these valuable wrappers, but it was impossible to remove them.

Only four examples on the full wrapper are recorded in the Aldrich book (more are cut down from full size). Eric Jackson is aware of at least one additional example. Of the five full wrappers, all but one are faulty, due to the fragile nature of the paper. WILMINGTON, DELAWARE

The world’s first stamp to depict a map is the Private Die Match stamp issued in October 1869 by the Wilmington Parlor Match Company in Wilmington, Delaware. The map depicts the western hemisphere and a number of islands in the Atlantic, Pacific and Caribbean. The *Boston Revenue Book* reports that the proprietor was B. James, who was succeeded by Connor & Walley. Perry located a Bradley James in the Wilmington directories, but he could not find any reference to Connor & Walley.

**Wilmington Parlor Match Co., 1c Black, Silk Paper (RO182b).** A significant number of large silk fibers and on a different paper than the following lot, intense shade and proof-like impression, light diagonal crease and small thin spot at top

**VERY FINE APPEARING EXAMPLE OF THE ONE-CENT WILMINGTON PARLOR MATCH CO. ISSUE ON SILK PAPER. THIS MAY WELL BE THE FINEST EXAMPLE IN EXISTENCE.**

For many years only one copy of this rarity was recorded. There are now 8 examples recorded in the Aldrich book, of which 6 are faulty. The Joyce sale contained only one with similar centering and with a thin spot and perfs scissors-trimmed at bottom left (it was described as the finest recorded example). The Fleischmann sale contained an example with perfs trimmed at bottom and with perfs into the design at left. The “Scarsdale” sale contained one with faults and perfs into the design at bottom.

Ex Tolman. With 2007 P.F. certificate ......................................................... 12,500.00
884  Wilmington Parlor Match Co., 1c Black, Old Paper (RO182a). Crisp impression, faults including thins, pulled perf and paper split, Very Fine appearance, ex "Scarsdale", with 2012 P.F. certificate ................................................. 175.00

885  Wilmington Parlor Match Co., 1c Black, Experimental Silk Paper (RO182e). Detailed impression, fresh and Fine .......................................................... 500.00

886  Wise & Co., 1c Black (RO183a). Crisp impression, typical centering for this difficult issue, top right corner perf reattached and second perf from top right added, otherwise Fine, only 23 are recorded in the Aldrich census and more than half have faults, ex Elliot and Bulkley, with 2012 P.F. certificate ......................................................... 2,000.00
887  **Zisemann, Griesheim & Co., 1c Green, Old Paper (RO185a).** Deep rich color, choice centering for this difficult issue, completely sound  
VERY FINE AND CHOICE. CERTAINLY ONE OF THE FINEST EXAMPLES OF THE ONE-CENT GREEN ZISEMANN, GRIESHEIM & CO. MATCH Issue IN EXISTENCE.  
The Aldrich book records only 19 examples of this rarity from this St. Louis matchmaker. Of these no more than six are sound. He notes that many examples are stained and faded and that fresh examples (such as the one offered here) are truly rare. The single Joyce copy had a very noticeable short perf at left. The three others located with Power Search are defective and off-center, including one torn in half and repaired. 
Ex Tolman and “Scarsdale”. With 2012 P.F. certificate (F-VF 75) .................. 5,000.00

888  **Zisemann, Griesheim & Co., 1c Ultramarine, Old Paper (RO186u).** Rich color, small faults and some overall soiling  
FINE APPEARANCE. A RARE EXAMPLE OF THE ONE-CENT ZISEMANN, GRIESHEIM & CO. PRIVATE DIE MATCH STAMP IN THE ULTRAMARINE COLOR. ONLY TWELVE ARE RECORDED IN THE ALDRICH BOOK.  
The last example we offered was in our 2006 Tolman sale; that stamp has a tiny pinhole, short perf and perfs into the design on two sides. The example previously thought to be the finest in existence, ex Joyce, received a 2012 P.F. certificate stating it is RO186a in a shade of Blue and is not the true Ultramarine color (the census count needs to be reduced by one, to eleven). The stamp offered here is the only other in the P.F.’s online database. 
Ex Cunliffe and Himpsl. With 2011 P.F. certificate ............................... 3,000.00
CANNED FRUIT COMPANY

FINE. A RARE SOUND EXAMPLE OF THE T. KENSETT & CO. CANNED FRUIT STAMP. ONLY 27 ARE RECORDED, OF WHICH PERHAPS SEVEN ARE SOUND.
The Aldrich census records 27 examples. Most are faulty and a number profoundly so, including some with rust stains from the fruit cans. 2,500.00

PERFUMERY COMPANIES

891  **Corning & Tappan, 1c Black, Watermarked, Imperforate (RT2d).** Large margins all around, intense shade on bright paper

VERY FINE AND CHOICE. A RARE SOUND EXAMPLE OF THE IMPERFORATE ONE-CENT CORNING & TAPPAN ISSUE. ONLY 16 ARE RECORDED. The Aldrich book records 16 examples, of which 6 are faulty. We have offered only one other since keeping computerized records. Ex Tolman and “Scarsdale”. With 2007 P.F. certificate................................. 2,750.00

892  **Corning & Tappan, 1c Black, Watermarked, Perforated (RT3d).** Intense shade and impression, tiny perf thin at top, Very Fine appearance, only 31 are recorded in the Aldrich book, approximately half of which are sound............................................. 825.00

893  **Fetridge & Co., 2c Vermilion, Old Paper, Cut to Shape (RT5a).** Rich color, appears faintly cancelled, Very Fine, ex "Scarsdale", with 1993 P.S.E. certificate................. 125.00
E. W. HOYT & COMPANY—LOWELL, MASSACHUSETTS

Eli Waite Hoyt (1838-1887) started his business in Lowell in 1851 at the age of 13. He initially worked in the apothecary shop of E. A. Staniels. Hoyt eventually became Staniels’ partner and, by 1863, when Staniels died, he took over the business. Hoyt’s famous cologne was first developed for sale in his apothecary shop. The name “German” was applied to the cologne in 1870 as a marketing slogan (http://choyt48.home.comcast.net/~choyt48/ewhoaty_run.htm)

E. W. HOYT & Co., 1c Black, Silk Paper, Imperforate (RT6b). Large margins, intense shade, faint vertical crease at right
VERY FINE APPEARANCE. A BEAUTIFUL EXAMPLE OF THE RARE E. W. HOYT & CO. IMPERFORATE ONE-CENT BLACK ISSUE ON SILK PAPER. ONLY EIGHT ARE RECORDED.

Of the 8 examples of this issue recorded in the Aldrich census only 5 are reported to be sound.

Ex Tolman. With 2007 P.F. certificate .......................................................... 5,000.00

E. W. HOYT & Co., 1c Black, Pink Paper, Imperforate (RT6c). Large margins, intense shade on paper which is deep Pink, faint vertical crease at right

VERY FINE APPEARANCE. A BEAUTIFUL EXAMPLE OF THE RARE E. W. HOYT & CO. IMPERFORATE ONE-CENT BLACK ISSUE ON PINK PAPER. ONLY EIGHT ARE RECORDED.

The Aldrich book records only 8 examples, which we assume includes the block of four offered in the Joyce sale. That would leave only four singles available to collectors.

Ex Eagle, Colonel Green and Joyce. ............................................................. 3,500.00

E. W. HOYT & Co., 2c Black, Wmk. Paper (RT8d). Large margins, cut square at ends, detailed impression, few vertical creases, Very Fine appearance, only 32 are recorded in the Aldrich book, we are aware of two blocks of four and a pair so that would leave at most 22 singles available to collectors.............................................................. 900.00
897  E. W. Hoyt & Co., 4c Black, Silk Paper (RT10b). Large margins, detailed impression, two light vertical creases

VERY FINE APPEARANCE. A BEAUTIFUL EXAMPLE OF THE RARE E. W. HOYT & CO. IMPERFORATE 4-CENT ISSUE ON SILK PAPER. ONLY NINE ARE RECORDED IN THE ALDRICH CENSUS, AND FOUR OF THOSE ARE IN THE UNIQUE BLOCK.

The imperforate on silk paper is the rarest of the 4c Hoyt issues, with only nine recorded in the Aldrich book. Two-thirds of those recorded have faults. The Joyce sale contained a block of four, so only five singles are available to collectors. We have offered only one other since keeping computerized records.

Ex Joyce. ................................................................. 2,250.00

898  E. W. Hoyt & Co., 4c Black, Pink Paper (RT10c). Large margins including bottom left corner sheet margin, light vertical creases are barely noticeable, Very Fine appearance, an attractive example of this issue, 65 are recorded in the Aldrich book including at least 20 as part of multiples .................................................. 350.00

899  E. W. Hoyt & Co., 4c Black, Imperforate, USIR Watermark (RT10d). Large margins with end clipped at left, clear watermark, few creases and thin spots, Very Fine appearance, scarce, only 18 are recorded in the Aldrich census (four are in a block), ex Lilly, Cunliffe and Himpsl ................................................................. 2,000.00
900  George W. Laird, 3c Black, Imperforate, Silk Paper (RT14b). Large margins all around, intense shade and impression, few thin spots, light corner crease at top right, Very Fine appearance, only 44 are recorded in the Aldrich census (at least 15 are in multiples) and over half have faults................................................................. 1,000.00

901  George W. Laird, 3c Black, Pink Paper (RT14c). Huge margins to full including top sheet margin, completely sound, Very Fine and choice, only 40 are contained in the Aldrich census........................................................................................................ 1,250.00

902  George W. Laird, 3c Black, Watermarked (RT14d). Large margins, few creases and thin spots, Very Fine appearance, only 42 are recorded in the Aldrich census, ex Turner ........ 1,000.00

903  George W. Laird, 3c Black on Old Paper, Perforated, Double Transfer (RT14pa). Position 14, magenta "G.W.L. Aug. 1871" manuscript cancel, tiny thin spot at bottom visible only in fluid

VERY FINE APPEARANCE. THIS IS THE FINEST EXAMPLE OF THE PERFORATED 3-CENT GEORGE W. LAIRD PERFUMERY ISSUE ON OLD PAPER.

The Aldrich census reports that three are known but notes the 1934 census states eight are known. We have been able to locate only three: 1) double transfer, position 14, magenta manuscript cancel, the example offered here, ex Joyce; 2) double transfer, not Position 14, small thin and light horizontal crease, apparently uncancelled, ex Eagle and Bulkley (Rumsey Sale 48, lot 536, realized $6,750 hammer); and 3) magenta and blue cancels, few creases and thin spot, ex Siegel Sale 219 and Tolman (Siegel Sale 915, realized $3,500 hammer)

Ex Joyce. ........................................ 6,500.00
George W. Laird, 3c Black on Silk Paper, Perforated (RT14pb). Easily discernible silk paper fibers, violet “G.W.L., April 1876” manuscript cancel, two small thin spots

VERY FINE APPEARANCE. THE UNIQUE GEORGE W. LAIRD 3-CENT PERFUMERY ISSUE PERFORATED ON SILK PAPER. ONE OF THE GREATEST RARITIES OF ALL PRIVATE DIE PROPRIETARY COLLECTING.

The 1994 Aldrich book notes the 1934 census did not record this issue. Scott Catalogue has listed it, unpriced, since at least 1940. They first assigned a price to it after its appearance in the 1991 Joyce sale.

Ex Joyce and Bulkley. With 2012 P.F. certificate.......................... 10,000.00
905  George W. Laird, 3c Black, Die Cut, Old Paper (RT15a). Margins to in, red “G.W.L., Aug. 1871” manuscript cancel, few faults including creases and sealed tear. Fine appearance, scarce, only ten are recorded in the Aldrich census and at least half have faults ................................................................. 3,000.00

906  George W. Laird, 3c Black, Perforated and Die Cut (RT15pa). Perfs at left and top, detailed impression, red “G.W.L., Aug. 1871” manuscript cancel, few faults including thinned and pulled perf at left. Very Fine appearance, scarce, only eight are recorded in the Aldrich census of which perhaps three are sound, neat backstamp, with 1985 P.F. certificate noting “small thin spot” ................................................................. 1,250.00

907  George W. Laird, 3c Black, Silk Paper, Die Cut, Double Transfer (RT15b). Position 14, large margins to just in, horizontal crease, small thin spots, tiny pinhole at center, Fine appearance, a scarce double transfer, ex Joyce .............................................. 275.00

908  George W. Laird, 3c Black on Pink Paper, Die Cut, Double Transfer (RT15c). Position 14 showing clear double transfer of lettering at center, bright shade, small natural pre-printing paperfold at bottom right, tiny thin speck at bottom right

VERY FINE APPEARANCE. A RARE EXAMPLE OF THE GEORGE W. LAIRD 3-CENT DIE CUT ISSUE ON PINK PAPER. ESPECIALLY RARE WITH THE DOUBLE TRANSFER. ONLY 9 ARE RECORDED — THIS DOUBLE TRANSFER MAY WELL BE UNIQUE.

The Aldrich book records 9 examples of this issue but does not note how many have a double transfer.

Ex Tolman ............................... 6,500.00
909  Lanman & Kemp, 1c Black on Pink (RT16c). Choice centering with wide and balanced margins, intense shade and impression on unmistakable pink paper, Extremely Fine, ex Lilly, Cunliffe and Himpsl, with 2011 P.F. certificate.............................................. 450.00

910  C. B. Woodworth & Son, 2c Blue, Pink Paper (RT21c). Rich color on paper with a strong pink cast, wide margins, some slight thinning

VERY FINE APPEARANCE. A BEAUTIFUL EXAMPLE OF THE WOODWORTH & SON TWO-CENT ON PINK PAPER. ONLY NINE ARE RECORDED.

Only nine are recorded in the Aldrich book, of which at least five are faulty. We have offered only one other (with toning and thin spots and perfs in at bottom) since keeping computerized records. Several others we located also have the perfs into the design.

With 1980 P.F. certificate ....................... 3,750.00

911  R. & G. A. Wright, 2c Black, Watermarked (RT23d). Intense shade and impression, choice centering for this difficult issue, completely sound, fresh and Very Fine, ex Elliot and Bulkley, with 2012 P.F. certificate .................................................. 600.00

912  R. & G. A. Wright, 3c Lake, Watermarked (RT24d). Original gum, h.r., radiant color, Very Fine and choice, rare in such pristine condition, ex Tolman and “Scarsdale”, with 2012 P.F. certificate (VF 80).................................................................. 525.00

913  R. & G. A. Wright, 4c Green, Old and Silk Papers (RT25a, RT25b). Both with full to wide margins and lightly canceled, latter with thin spots and reperfed at top and left, Very Fine appearance, ex “Scarsdale”, with 2012 P.F. certificates.............. ..................................................(Photo Ex) 240.00

914  R. & G. A. Wright, 4c Green, Watermarked (RT25d). Original gum, deep rich color, choice centering, small tear and thin spot at top right, Very Fine appearance, ex Turner and Himpsl.................................................. 750.00
915  **Young, Ladd & Coffin, 2c Blue, Silk Paper (RT29c).** Wide to huge margins, beautiful rich color, purple lettering on back does not show thru on album page, Extremely Fine, not a high catalogue value stamp but difficult to find in this quality, ex "Scarsdale", with 2005 P.F. certificate ................................................................................................................. 95.00

916  **Young, Ladd & Coffin, 2c Vermilion, Silk Paper (RT30b).** Ample to large margins, radiant color, neat ruled line cancel, Very Fine, ex "Scarsdale", with 2012 P.F. certificate (VF-XF 85) ................................................................................................................. 130.00

917  **Young, Ladd & Coffin, 4c Brown, Imperforate, Silk Paper (RT32b).** Large margins to full, deep rich color and detailed impression, ruled line cancel, completely sound

VERY FINE AND CHOICE. THIS IS ONE OF THE RAREST OF ALL PRIVATE DIE PERFUMERY STAMPS ISSUES. ONLY THREE ARE RECORDED.

We are aware of only three examples of this issue: 1) the example offered here, ex Cunliffe; 2) similar cancel, wide right sheet margin, offered in Shreves March 2003 sale; and 3) similar cancel, repaired tear and piece added, Siegel Sale 930. An example was offered in Part 13 of the Colonel Green collection (Laurence & Stryker sale of Feb. 1-3, 1944 sale) where described as “big margins, Unlisted”, but it was not illustrated. Our guess is it is one of the first two in our list. As another indication of its rarity, the famed Joyce collection did not contain an example.

Ex Cunliffe. With 2008 P.F. certificate ................................................................................................................. 6,500.00
Caterson Brotz & Co., 5c Brown, Watermarked Paper (RU1d). Original gum, accompanying certificate states “perforations trimmed away on three sides and mostly blind perfs at bottom,” a couple of perf discs fully punched at lower right, intense shade and impression, sound

VERY FINE. THE CATERSON BROTZ & CO. PLAYING CARD IS ONE OF THE RAREST OF ALL REVENUE ISSUES. ONLY THREE ARE RECORDED. ONE OF THE KEYS TO COMPLETING A PRIVATE DIE PLAYING CARD COLLECTION.

According to The Boston Revenue Book, Caterson Brotz & Co. placed an order for 25,500 stamps on December 4, 1882. There was a delay in filling the order, and in the meantime the tax was revoked effective June 30, 1883. The company refused to pay for the stamps, so they were never issued, but at least three found their way into philatelic hands.

One source of the stamps was the clerk at the Bureau of Internal Revenue, who saved one of each stamp before destroying all obsolete revenue stamps; this is also the source of the unique Maryland Match Co. 1c on watermarked paper (Scott RO131d, see lot 864 in this sale). A second source was the young lady who verified the count of stamps before they were destroyed. Each believed his or her copy was unique and signed an affidavit to that effect. Since three examples are recorded, another must have been removed before the supply was destroyed.

The three recorded examples of the Caterson Brotz & Co. 5c Brown on watermarked paper are as follows: 1) perforations all around, last sold by H. R. Harmer in 1990 and currently in a private collection, we suspect this copy is the one obtained from the chief clerk with the Maryland Match Co. stamp, which was then sold to a collector, Robert S. Hatcher, of Terre Haute Ind.; 2) the example offered here, ex “Donaldson” and Himpsl; and 3) perfs trimmed on all four sides, reportedly by the engraver, ex Bartels, Eagle and Joyce.

Ex “Donaldson” and Himpsl. With 2011 P.F. certificate ................................. 12,000.00
A. Dougherty, 5c Ultramarine, Old Paper (RU4e). Unmistakable Ultramarine shade, small thin spots, tiny tear, few short perfs at top, appears Fine, scarcer than its modest catalogue value would indicate, ex “Scarsdale”, with 2012 P.F. certificate.............................. 300.00

**Shipping & Insurance**

We will be pleased to arrange for shipping and transit insurance for purchases in this sale, except for lots marked or announced as “floor sale only.” To expedite billing and delivery to hundreds of buyers in each sale, we use standard charges for postage and insurance under our policy. These charges are based on the package weight and mailing requirements, according to the schedule shown here. Our standard charges do not include a fee for our services, and they may be slightly more or less than the actual postage or Fedex fee. We ask all buyers to remit the invoiced amount for shipping and insurance.

Transit insurance is provided in all cases, except when the buyer has furnished us with documentation that insurance is effective under the buyer’s own policy.

There will be no added insurance charge for shipments of less than $75,000 value. Shipments valued in excess of $75,000 may require supplemental insurance and/or special courier service, the estimated cost of which will be furnished to the buyer prior to shipment. If the buyer refuses to pay the estimated charges or furnish proof of self-insured coverage, the buyer will be responsible for picking up the lots at our office and any resulting sales tax.
