DELIVERY OF LOTS

Due to the great value of many lots in this sale, we may be required to deliver lots by a courier acceptable to our insurance company. Buyers will be responsible for shipping costs and insurance unless they make their own arrangements to pick up lots or have them transported by a secure third-party courier at the buyer’s sole risk and expense.

SALES AND COMPENSATING USE TAX

Siegel is currently required to collect sales/use tax on purchases delivered to buyers in New York, California, Texas and Pennsylvania, unless the buyer has a valid resale certificate. Due to the rapidly changing laws affecting tax-collection obligations for remote sellers, sales/use tax might be applicable to invoices for buyers in other states at any time.
