XF-SUPERB - 95 - OGNh

Syracuse, New York, 2008.07.15.

CANADA, 1903.

I have examined the postage stamp issued by the Dominion of Canada on July 1st of 1903, "King Edward VII" 2 cents carmine, perforated 12, on medium white wove paper without watermark, Scott Catalogue #90, unused, a colour reproduction of which is below, magnified to 125% of true size, and am of the opinion that:

The stamp submitted is **genuine in all respects**, unused, with full original gum, never hinged, is unusually well centered for this issue, and is entirely free from faults or repairs at the time of examination. All relevant factors taken into account, it has a quality rating of **XF-SUPERB - 95 - OGNh**.

Sergio Sismondo.
