NEWFOUNDLAND, 1879.

I have examined the postage stamp issued by the Colony of Newfoundland in 1879, "Cod Fish" 2 cents green, rouletted, recess printed by the American Bank Note Company on medium white wove paper without watermark, Scott Catalogue #38; Stanley Gibbons catalogue #41; unused, a colour reproduction of which is below, magnified to 125% of true size, and am of the opinion that:

The stamp submitted is **genuine in all respects**, unused, with full original gum and never hinged. It is very well centered, has fresh colour and is entirely free from faults or repairs at the time of examination.
