THE NELSON BERMAN COLLECTION OUTSTANDING UNITED STATES STAMPS

Over the past 40 years, Nelson Berman has been a steadfast collector of United States stamps, acquiring all but a few of the issues that fill the pages of a Scott U.S. National Album. This June his collection will be offered in an auction of great importance, giving other collectors the opportunity to acquire stamps which are seldom offered—the rare 1851-57 classic types, 1861 First Designs & Colors, 19th century Reprints, Reissues and Special Printings, and the major 20th century rarities.

Sale date in June to be announced.

Look for the single-owner sale catalogue and online listings in May.
